SHELBY COUNTY)

Before me, the undersigned authority, a Notary Public in and for said County and State, personally appeared J. E. JOHNSON, who, being by me first duly sworn to speak the truth, deposes and says as follows:

My name is J. E. Johnson and I am the grantee in that certain deed dated November 16, 1949, and recorded in Deed Book 137, page 609, in the Probate Records of Shelby County, Alabama. Immediately after I purchased the land described in said deed I went into the actual, open, notorious, continuous, exclusive adverse possession of the property therein described and have so remained in possession up to and including the date of this affidavit. I have never heard my title questioned or disputed in any way.

It has been called to my attention that there is a tax lien in favor of the United States of America recorded in the Probate Records of Shelby County, Alabama, in Judgment Record I, page 173, against one J. E. Johnson. This judgment or tax lien is not against me and I am not the J. E. Johnson named in said lien. I understand there is also a tax lien against John E. Johnson and wife recorded in Judgment Record I, page 174. Likewise, this last mentioned lien is not against me nor my wife. There are no outstanding judgments or liens against me or the above described property whatsoever.

Jack E. Johnson

Sworn to and subscribed before me this 1st day of November, 1967.
