STATE OF ALABAMA)

SHELBY COUNTY)

Before me, the undersigned, a Notary Public in and for said County and State, personally appeared Hudson C. Evans, who being first sworn, deposes and says as follows:

That he acquired:

The NW $\frac{1}{4}$ of the NW $\frac{1}{4}$, Section 27, Township 21, Range 3
West, Shelby County, Alabama

on the 18th day of November, 1946. Said property was purchased from Shelby Gantous as per deed recorded in Deed Book 125, Page 511 as it appears of record in the Office of the Judge of Probate, Shelby County, Alabama.

This property was in the woods and about one-half mile from Affiant's home and he looked after the property as any other property owner would do, occasionally cutting some wood from it and exercised every right of ownership that the average person would of property that was owned by him and was not in cultivation and not improved with a residence and that he held it openly, peacefully, adversely, under claim of ownership, regular assessed and paid the taxes on it and no one ever questioned his right of ownership up until the time he sold it to Floyd Hawkins about the year 1951. At that time Mr. Hawkins took possession of the property and to the best of Affiant's knowledge no one has ever questioned Mr. Hawkins's right of ownership.
