

9273
State of Alabama
Shelby County

Before me, the undersigned authority in and for said County in said State personally appeared W. F. Adams, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is W. F. Adams. I have known the hereinafter described land for the past 18 years and am familiar with the lines of the same. Said land being described as follows:

A part of the SW $\frac{1}{4}$ of SW $\frac{1}{4}$ of Section 30, Township 13 South, Range 1 West described as follows: Begin at the southeast corner and run westerly along the south line to east line of a county road; thence northerly direction along the east line of a County road to its intersection with the south line of a chert road running in a southeasterly direction; thence in a southeasterly direction along the south line of said chert road to its intersection with the east line of said $\frac{1}{4}$ - $\frac{1}{4}$ Section; thence south along the east line of said $\frac{1}{4}$ - $\frac{1}{4}$ Section to point of beginning; situated in Shelby County, Alabama.

I am familiar with the chert road mentioned in the above description and I know it is one and the same road as the Farley's Store Road mentioned in that certain deed from Fred Gillem, Sr. and wife to Mrs. Elsie Jones dated January 27, 1944, recorded in Deed Book 116 page 329 in the Probate Office of Shelby County, Alabama. I know of my own knowledge that the Jones lot does not overlap on the above described property, but lies north of said chert road. There has also been called to my attention the deed from Elsie Jones to W. F. and Alma B. Shean dated August 22, 1950, recorded in Deed Book 153 page 157 in said Probate Office. I am also familiar with the lot sold to the Sheans and know it does not overlap the above property and lies on the opposite side of the road from the same.

W. F. Adams

Sworn to and subscribed to before me on
this the 26th day of February, 1968.

O. C. Tucker
