being situated in Shelby County, Alabama.

I know that for several years prior to 1913 the above described land was divided into three parcels, each parcel being in the possession of and owned by separate individuals. The description of these three parcels are as follows:

Parcel No. 1 - Land described in deed from J. P. Eason to Alabama Power Company dated January 14, 1913, recorded in Deed Book 52, page 311, in the Probate Office, Shelby County, Alabama, had been in the possession of W. P. Eason since prior to 1900. In about 1913, the said W. P. Eason conveyed this land by deed and relinquished his possession to Alabama Power Company. This parcel of land was conveyed with other lands to T. C. McSwain and the estate of J. H. Roberts in about 1920, with Alabama Power Company retaining title to the South Half of Northwest Quarter (S $\frac{1}{2}$ of NW $\frac{1}{4}$), Section 18 and other land rights for Lay Dam Reservoir. Sidney McSwain later became the sole possessor of this land under the claim of title continuing in this position until about 1947 when she conveyed this land by deed to C. B. Kirkpatrick.

Parcel No. 2 - Land described in deed from Henry J. Busby to Alabama Power Company dated April 23, 1913, recorded in Deed Book 52, page 189, in the Probate Office, Shelby County, Alabama. G. W. Busby had been in possession of this land from prior to 1900 until his death. Thereafter possession was maintained and ownership claimed by the heirs of the said G. W. Busby. Henry J. Busby being one of these heirs later obtained the interests of the remaining heirs and in about 1913 conveyed all of this parcel of land to Alabama Power Company, who in about 1920 conveyed this land less certain rights to T. C. McSwain and the estate of J. H. Roberts. Sidney McSwain later also became the sole possessor and title claimant to this parcel of land continuing in this position until about 1947 when this portion of land was also conveyed to C. B. Kirkpatrick.

Parcel No. 3 - The East Half of the Southeast Quarter (E $\frac{1}{2}$ of SE $\frac{1}{4}$) and the Southwest Quarter of the Southeast Quarter (SW $\frac{1}{4}$ of SE $\frac{1}{4}$) of Section 1 in Township 22, Range 1 East; also the East Half of the Northeast Quarter (E $\frac{1}{2}$ of NE $\frac{1}{4}$) and the Northwest Quarter of the Northeast Quarter (NW $\frac{1}{4}$ of NE $\frac{1}{4}$) and the East Half of the Southeast Quarter (E $\frac{1}{2}$ of SE $\frac{1}{4}$) of Section 12, Township 22, Range 1 East; also all of Fractional sections 6, 7, 8, 17 and the Northeast Quarter of the Northwest Quarter (NE $\frac{1}{4}$ of NW $\frac{1}{4}$) of Section 18 in Township 22, Range 2 East. This parcel of

land was known as a part of the Hazzard Place and in about 1912 was in the possession of J. R. Gaston who claimed title thereto. In 1913 Alabama Power Company obtained certain interest and rights in this land by condemnation for the reservoir of Lay Dam. The remaining portion of this parcel of land was conveyed later in 1913 by deed to M. D. Foshee who in about 1915 conveyed his interests in this parcel of land to T. C. McSwain and J. H. Roberts. After their deaths, Sidney McSwain became the sole possessor and title claimant continuing in this position until in about 1947 when she conveyed this land, a portion of Parcel No. 1 and Parcel No. 2, to C. B. Kirkpatrick.

The said C. B. Kirkpatrick was in possession of all heretofore described parcels of land under claim of title from the date of his deed in about 1947 until in about 1957 when he conveyed all of this land to George C. Kirkpatrick, whose possession was for about two years or until 1959 when he conveyed this land by deed and relinquished his possession to Lewis B. Walker, Wales V. Wallace, Jr., George Horn, Margaret Christie, Roy Downs, Conrad M. Fowler and Harold J. Hall, who moved into possession of all this land claiming title from the date of their deed given by the said George C. Kirkpatrick up until the present time except for two smaller parcels of land deeded away. One of these parcels being the land described in that certain deed dated September 12, 1962 to Shelby Shores, Inc., recorded in Deed Book 222 at pages 338 to 340, inclusive, in the Probate Office, Shelby County, Alabama. Jones conveyed a portion of this land to Calvin D. Green and Albertine V. Green by deed dated January 19, 1965 as recorded in Deed Book 233 at pages 848 and 849 in the Probate Office, Shelby County, Alabama. The said Albertine V. Green deeded her interest in this land to Calvin D. Green and his wife, Virginia Green, in early 1966.
