The above described property was conveyed to my former husband, T. R. Nash, deceased, by deeds dated July 28, 1937 and April 6, 1942, and recorded respectively in Deed Book 252, page 629 and Deed Book 115, page 402, in the Probate Records of Shelby County, Alabama. The above described property is the exact same property which was claimed and possessed by my husband, and by me since my husband's death, for more than thirty years. There has never been any discrepancy whatsoever concerning the boundary lines of said property and for more than thirty years my husband and I have been in the actual, open, notorious, hostile, continuous, exclusive, and adverse possession of the above described property for each and every year and have maintained and operated a drugstore in the building located on said property. All claims against the estate of Thomas R. Nash, deceased, have been paid in full.

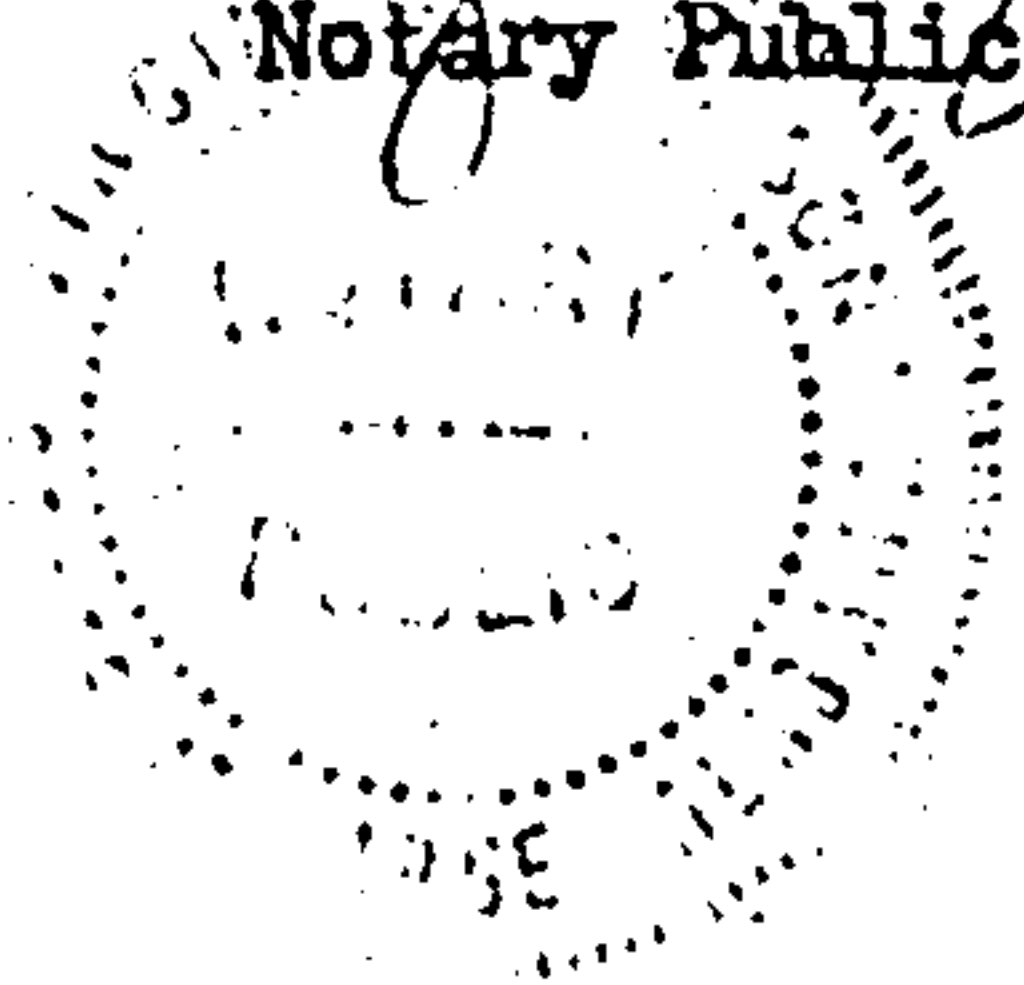

I am familiar with the Lime House of T. J. Holt which is mentioned in several deeds in my chain of title and the same lies South of the above described property

which I presently own.
