

STATE OF ALABAMA  
SHELBY COUNTY

Before me, the undersigned authority in and for said County, in said State, personally appeared before me Clifton Roberson and Louise Roberson, who, after being by me first duly sworn deposes and says:

We were the grantors in that certain deed from us to Lewis B. Walker dated September 10, 1963, and which covered the following described land:

The N<sup>1</sup>/<sub>4</sub> of NW<sup>1</sup>/<sub>4</sub> of SE<sup>1</sup>/<sub>4</sub> of Section 24, Township 19 South, Range 1 East, Shelby County, Alabama.

We sold the land to Mr. Walker at that time and have not exercised any acts of ownership since that time and have not claimed to own any interest in the land since we sold the same. Through some oversight, the property has continued to be assessed in our names. We understand that Mr. Walker has paid the taxes each year and we assure he has because we have not paid any taxes on the property since we sold it to Mr. Walker on September 10, 1963, and it was just an error that he failed to assess the same in his name. The correct spelling of our name is "Roberson", and not "Robertson".

Sworn to and subscribed to before me
