Before me, the undersigned authority, a Notary Public in and for said County, in said State, personally appeared FRED L. HENSON, who, after being by me first duly sworn to speak the truth, deposes and says as follows:

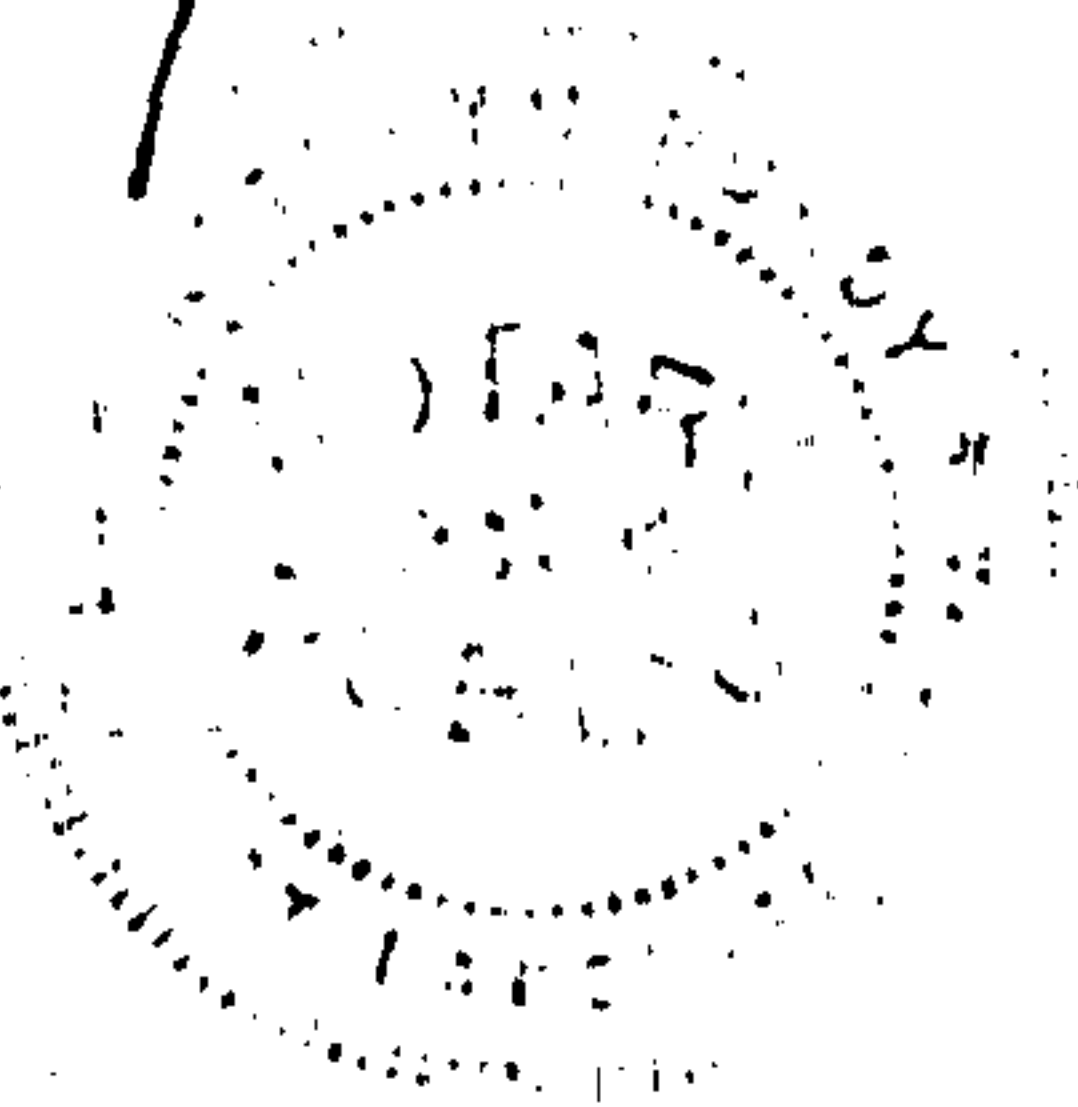

My name is Fred L. Henson. I have been familiar with the occupation, use, and possession of the SE $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 9, Township 18, Range 1 East, Shelby County, Alabama, for a period in excess of thirty years. Said property is presently owned by the Alabama Home Missions Board of the Church of God, under deed from Lester Harris and affiant. I am also familiar with the road which leads from Alabama Highway No. 25 over certain property owned by J. B. Posey into the above described property. I know of my own knowledge that said road has been in open, continuous, and adverse use by the owners of said above described property, their predecessors in title, continuously since the year 1938, and that the right to use said road by said persons and the public in general has never been questioned or disputed during said period.
