STATE OF ALABAMA

SHELBY COUNTY

Before me, the undersigned authority for the State of Alabama at Large, personally appeared J. D. Holcombe, Jr., who, after being by me first duly sworn to speak the truth, deposes and says:

My name is J. D. Holcombe, Jr. I am one and the same person who purchased a Fedders Heat Pump from Sales Service Corporation and on which there is recorded a Uniform Commercial Code form numbered 1092 which shows the same having been installed on certain land being a part of SE₄ of SE₄, Section 32, Township 20, Range 3 West, Shelby County, Alabama, and being 1.78 acres, more or less. Said heat pump was installed in my home which is situated in said forty acres. However, the same has nothing to do with the property heretofore sold to Jerry L. Smith and Edna Smith on May 13, 1967, as shown by deed recorded in Deed Book 249 page 597 in the Probate Office of Shelby County, Alabama.

I understand Judgment Record 1 page 473 shows a lien in favor of W. N. Viar vs L. Smith of Lucien Smith. I know of my own knowledge that the property mentioned above was sold to Jerry L. Smith, whose full name is Jerry Lance Smith and that said judgment lien is not against the person to whom I sold said land.
