Before me, the undersigned authority, in and for said County, in said State, personally appeared Martia H. Reach and Onzell S. Reach, who, after being by me first duly sworn to speak the truth, deposes and says:

We are one and the same persons who signed with others in the execution of a deed to Thelma Reach on March 10, 1960, as shown by deed recorded in Deed Book 203 page 163 in the Probate Office of Shelby County, Alabama. It has been called to our attention the land as described therein varied some from the description recently preparry by Alton Young covering said property. We have looked at a map prepared by Mr. Young and we know the description used in the attached affidavit of Alton Young is the same land as that which we intended to convey to Thelma Reach in said deed, along with a tract of land sold off to J. W. Blankenship and Charles Hilyer since said deed to Thelma Reach was executed. We know Thelma Reach has been in possession of the land as surveyed and described by Mr. Alton Young since it was conveyed to her and we have never heard of anyone contesting her title or disputing her possession.
