

STATE OF ALABAMA

SHELBY COUNTY

Before me, the undersigned authority in and for said County in said State, personally appeared Roy L. Grantham, who, after being by me first duly sworn to speak the truth, deposes and says:

I have lived in the area of the hereinafter described land all my life and have been familiar with the ownership. Said land being described as follows:

A part of the E $\frac{1}{2}$ of NE $\frac{1}{4}$ of Section 30, Township 19 South, Range 1 East, more particularly described as follows: Commencing at a point on the south line of SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section, which point is 495 feet west of the SE corner of said forty and run west along the south line of said SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section a distance of 150 feet; thence run north and parallel with east line of said E $\frac{1}{2}$ of NE $\frac{1}{4}$ of said Section to the south right of way line of Florida Short Route Highway; thence in a northeasterly direction along said right of way to a point which is 495 feet west of the east line of said E $\frac{1}{2}$ of NE $\frac{1}{4}$ of said Section; thence south and parallel with the east line of E $\frac{1}{2}$ of NE $\frac{1}{4}$ of said Section to the point of beginning; situated in Shelby County, Alabama.

There has been called to my attention a Transmission Line Permit from George Huddleston and wife to Alabama Power Company dated March 31, 1941, recorded in Deed Book 111 page 408 which covered the above described land, along with other lands. I know of my own knowledge that Mr. Huddleston had already conveyed the above property and the same was included through oversight, as he has never made any claim to the land since he sold the same.
