Mr. Walter Branham
 Route 1
 Leeds, Alabama 39104

Dear Mr. Branham:

In view of our recent telephone conversation concerning the above described property in Shelby County (adjoining yours), this is to advise you that I purchased this property on December 18, 1968. I deeply regret that you feel the way that you do about my purchase of this property and sincerely hope that you will reconsider your statements. It is not my policy to want any part of anything belonging to my neighbors or associates.

The former owner of the property purchased, Mr. O. D. Skipper, advised me that he had no timber or pulpwood contract with you or anyone else and that he had not given anyone permission to locate a housetrailer, fence or other structure on his property. The Shelby County Probate and tax records do not reflect any owners in this 80 acres other than Mr. O. D. Skipper, nor is there any record of any church property in this area.

Under the circumstances and in view of statements made by you in our telephone conversation, this is to put you on notice to discontinue any timber or pulpwood cutting on this property and if the housetrailer or any other structures or fences located on this property belong to you, that they be removed as soon as possible.

Sincerely yours,

Nolan L. Shory
