STATE OF ALABAMA )  
SHELBY COUNTY )

Before me, the undersigned authority, a Notary Public in and for said County, in said State, personally appeared OLLIS McMAHON, who, after being by me first duly sworn to speak the truth, deposes and says as follows:

My name is Ollis McMahon and I am one of the grantees in that certain deed dated May 27, 1961, and recorded in Deed Book 224, page 718, in the Probate Records of Shelby County, Alabama. I am familiar with the location of that property conveyed to T. M. Brasher and wife, Mrs. T. M. Brasher by deed dated August 21, 1959, and recorded in Deed Book 204, page 187, in the Probate Records of Shelby County, Alabama. The property conveyed to T. M. Brasher and wife does not overlap at any point with the property that was conveyed to affiant and affiant's wife by that certain deed referred to above which is recorded in Deed Book 224, page 718, in the Probate Records of Shelby County, Alabama. There have never been any disputes concerning the ownership, possession, or boundary lines of the property which was conveyed to affiant and affiant's wife as aforesaid.

It has been called to my attention that J. T. Johnson and wife, Ethel Johnson executed a transmission line permit to Alabama Power Company dated January 1, 1949 and recorded in Deed Book 138, page 60, in the Probate Records of Shelby County, Alabama. Neither J. T. Johnson nor his wife Ethel Johnson have ever had possession of the property which was conveyed to affiant and affiant's wife as aforesaid or any part thereof and have never assumed any right, title or interest in and to said property.

Ollis McMahon
