

SHELBY COUNTY

My name is Freeman Jones, and I reside at Route 2, Columbiana,
Alabama.

Eason Jones was my brother, and in 1946, I bought and went into possession of 10 acres from my said brother, said 10 acres being described as the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of SW $\frac{1}{4}$ of Section 14, Township 24, Range 15 East.

I had already built a house on said 10 acres parcel at the time in 1946 when I bought the same from my brother and I and my family lived in said house until I sold and conveyed the same to my brother, Lucious Jones and/or his wife, Nelma Jones, about 1949, 1950, or 1951.

I executed a deed for said 10 acre parcel to my said brother and/or his wife and moved off of said property, and my said brother and his wife lived thereon until my said brother died about 12 or 15 years ago, and said Nelma Jones, his widow, has lived and resided thereon until the present date.

I have been informed that the deed which I received from my brother, Eason . Jones, in 1946, which is recorded in Deed Book 125 at page 236, Office of Judge of Probate of Shelby County, Alabama, describes the NE¼ of SW¼ of Section 14, Township 24, Range 15 East, but I have never owned nor claimed any part of said NE¼ of SW¼ of said Section 14.

Sworn to and subscribed before me
this 31st day of January, 1970.
