STATE OF ALABAMA )

SHELBY COUNTY )

Before me, the undersigned authority, a Notary Public in and for said County and State, personally appeared JACKSON COHILL, who, after being by me first duly sworn to speak the truth, deposes and says as follows:

My name is JACKSON COHILL and I have known the occupation, use and possession of all that part of the SE $\frac{1}{4}$  of the SW $\frac{1}{4}$  of Section 1, Township 21 South, Range 3 West, which lies South of U. S. Highway No. 31 and East of Highway 165 in Shelby County, Alabama, for many years. I am familiar with the location of that property which was owned and claimed by Mose Wesley Gaiters and which was by him mortgaged to Morris Home Corporation and later assigned to various companies. I understand that Leonard Investment Company now owns this mortgage. The property owned by Mose Wesley Gaiters lies North of U. S. Highway No. 31 and he has never been in possession of any part of said  $\frac{1}{4}$   $\frac{1}{4}$  Section lying South of U. S. Highway No. 31. He has never asserted any claim or interest in any property South of U. S. Highway No. 31. Prior to the death of Mose Wesley Gaiters he actually constructed a residence or home on his property in said  $\frac{1}{4}$   $\frac{1}{4}$  Section and the same was constructed some distance North of U. S. Highway No. 31. George Washington, husband of Ethel Washington, deceased while a resident of Shelby County, Alabama, more than five years ago. He was survived by Ethel Washington, widow, George Washington, a single man, and John Lee Jones. Said George Washington never had any other children or heirs and did not leave a last will and testament.
