Before me, the undersigned authority in and for said County in said State, personally appeared E. B. Brasher, who, after being by me first duly sworn to speak the truth, deposes and says:

being one and the same as Earl Brasher and Earley Brasher
My name is E. B. Brasher. I am 61 years of age and have lived in Shelby County all my life. Through the years, I have been familiar with the hereinafter described real property. Said property being described as follows:

The E $\frac{1}{2}$ of NE $\frac{1}{4}$ of SE $\frac{1}{4}$ Section 11, Township 19 South, Range 1 West.

The E $\frac{1}{2}$ of SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 11, Township 19 South, Range 1 West, EXCEPT that part lying Northwest of Bear Creek Highway. Also EXCEPT lot sold to Jerome Pilkington and wife, Dorothy Pilkington as described in Deed Book 241 on page 451 and also EXCEPT lot sold to Harvey Pilkington and wife, Ethelene Pilkington as described in Deed Book 241 on page 452 in Probate Office of Shelby County, Alabama; situated in Shelby County, Alabama.

Excepting Highway right of way.

Paul O. Luck and R. Brewer purchased the above described land and other lands from the State and obtained a deed to the same on February 28, 1928 which deed was recorded in Deed Book 85, page 591 in the Probate Office of Shelby County, Alabama. I purchased the land described in this affidavit from Paul O. Luck and R. Brewer and their wives on February 11, 1930 and recorded in Deed Book 91, page 469 in the Probate Office of Shelby County, Alabama, and I went into immediate possession of said land and said land was already fenced in when I purchased it but I repaired, re-worked, and re-wired them and I kept it fenced until this day. I built a house on said land and the same faces Bear Creek/and is located in the E $\frac{1}{2}$ of SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section 11. From the time I first purchased said land until this very day, I have kept the same under said fence and have lived in the dwelling house situated on said land which house was constructed within a year after I purchased said land and I have cultivated portions of said land each and every year until this very day. I have out-buildings near my house which have been there continuously and I have obtained firewood and building timber from the wooded portions of said land each and every year until this very day and no one has ever contested my title or disputed my possession. There is called to my attention a deed from International Securities Corporation dated October 24, 1917, to W. T. Brasher covering S $\frac{1}{2}$ of the NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 11, Township 19 Range 1 West which deed is recorded in Deed Book 61 page 551. The said W. T. Brasher was my father and he died about the year 1920 and I have two brothers and three sisters and not any of said persons have ever made any claim to the land described in this

affidavit but they have all recognized it as being my land and there has been no dispute regarding the same.
