KNOW ALL MEN BY THESE PRESENTS, that, as a donation, the UNITED STATES STEEL CORPORATION, a Delaware corporation, hereinafter sometimes referred to as "Grantor," to the extent of its ownership, hereby grants and conveys, upon the terms, conditions, and limitations hereinafter set forth, to SHELBY COUNTY, ALABAMA, hereinafter sometimes referred to as "Grantee," an easement for a right of way for a public road forty (40) feet in width over the North-West quarter of South-East quarter of Section 5, Township 21 South, Range 4 West, Shelby County, Alabama, in the location shown on map attached hereto marked 3-611 LD and made a part hereof.

Grantor reserves unto itself, its successors and assigns, the right to maintain and operate any of its existing facilities which may be located under, over, along, or across said right of way as may now or hereafter be necessary or convenient in or about the operations of the Grantor; said facilities including, but not being limited to, underground haulageways, pipe lines, railroads, electric power transmission lines, telephone lines, or signal lines, and all appurtenances necessary therefor.

TO HAVE AND TO HOLD unto the said Grantee, its successors and assigns forever; SUBJECT, however, to such easements as may exist over, under, upon, along, or across said right of way for railroads, electric power transmission lines, telephone lines, telegraph lines, pipe lines, and public or private roads.

This conveyance is made upon the further covenant and condition that (1) Grantor, or its successors and/or assigns, shall have the right to install and maintain within the boundaries of the right of way, easement for which is herein granted, underground haulageways, electric power transmission lines, telephone or telegraph lines, pipe lines, railroad tracks, and roads or ways of any description at any point whatsoever, either at grade, above grade, or below grade, provided that the exercise of such rights shall not interfere unreasonably with the use of the public highway, for which easement for right of way is herein granted; and (2) Adequate drainage for the surface of said right of way, including borrow pits and excavations thereon shall be provided by said Grantee, or its successors and/or assigns.

IN WITNESS WHEREOF, the United States Steel Corporation has caused these presents to be executed in its name and behalf and its corporate seal to be hereunto affixed and attested by its officers thereunto duly authorized on this, the 20th day of January, 19 71.
