I, Robert D. Mitchell do certify as follows:

- a. I am Senior Vice President of Malcolm Pirnie, Inc. a duly appointed independent engineer of the Water Works Board of the City of Birmingham.
- b. This certificate is prepared and given pursuant to the provisions of Section 603 of the Indenture securing the issue of the Water Supply Revenue Bonds to the Water Works Board of the City of Birmingham as an incident to the sale of certain property constituting a part of the Water Works System and the terms used in this certificate which are defined in said Indenture are used herein as therein defined.
- c. The property which is to be sold is described as the Southeast quarter of the Southwest quarter of Section 34, Township 18, Range 2 West and the Northeast quarter of the Northwest quarter of Section 3, Township 19, Range 2 West.
- d. An offer has been received for this property in the amount of \$200,000. net consideration over and above all sales cost.
- e. In our opinion the property to be sold is not used or useful in the operation of the Water System and the offered price represents a fair value for the property in the interest of the holders of the bonds.

In witness hereof, I hereunto affix my signature this 2nd day of March, 1971.
