

STATE OF ALABAMA }
SHELBY COUNTY }

2338

Before me a Notary Public in and for said County in said State,
peronally appeared Nulen Buthen. The Affiant who after
first being fully sworn deposes and states the following:

"I am 55 years of age and live across the highway from
Lucille Clemonts, who is also known as "Lucille Clemons". I have known
Lucille Clemonts and knew her husband, Mr. Turner Clemonts, who died in
1954. I know of my own knowledge that Mr. Turner Clemonts did not leave
a will and the following are the heirs of Mr. Turner Clemonts: the widow,
Lucille Clemonts, and the following children: John A., William, Carrie
Lue, Ethel Mae, Turner, Jr., Robert and Willie Roy. These were the only
heirs and there are no deceased heirs or children of deceased children.

"The above named heirs of Turner Clemonts spell their names
"Clemons" and "Clements", but are children of Turner Clemonts and Lucille
Clemonts.

"I further state that I am not related to the above named
family, but I have known them for approximately 25 years.

"Turner Clemonts and his family entered into possession of
the property described herein and other lands during the year 1945. He
lived in a house on these lands, and maintained a garden and small
live stock and claimed the property as his own until the time of his death.
He assessed and paid taxes on subject property and other lands soon after
he entered into possession up until the date of his death.

"Turner Clemonts held subject property and other lands considered
as a home place openly, notoriously, continuously and adversely to all
persons from 1945 to the date of his death in 1954. His widow, Lucille
Clemonts still lives on a portion of the property and it has been known for
many years as the Turner and Lucille Clemonts "homeplace".

"The land belonging to the Clemonts family is properly
described as follows:

Commence at the intersection of the south line of the SE 1/4 of the NW 1/4
of Section 11, Township 19 South, Range 2 East with the southeasterly right
of way line of the Vincent-Pell City Highway and run North 24° East along
said road right of way for a distance of 438 feet to the point of beginning;
thence continue along said road right of way and North 24° East for a distance
of 200.0 feet; thence turn an angle right of 90° 00' for a distance of 217.8
feet; thence turn an angle right of 90° 00' for a distance of 200.0 feet;
thence turn an angle right of 90° 00' for a distance of 217.8 feet to the
southeasterly right of way of said Vincent-Pell City Highway and the point
of beginning.

"I know of my own knowledge that no one has ever made any claim
to the property during the time it has been owned by Turner and Lucille
Clemonts."
