

STATE OF ALABAMA

SHELBY COUNTY

Before me, a Notary Public in and for said County and State, personally appeared Ed Jones who is known to me and who being by me first duly sworn, deposes and says as follows:

My name is Ed Jones. I am 62 years of age and reside at Route 1, Box 33, Shelby, Alabama. I have known the following described property all of my life and as long as I can remember:

The SE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 23,
Township 24 North, Range 15 East.

I live about one half mile from said property and have lived in the vicinity of said property and within a mile or so of said property all of my life. When I first became familiar with said property 50 years or more ago, it was owned and possessed by a Mr. Busby. There was an old log house on said property at that time, and Mr. and Mrs. Busby and their family lived in said house. Said house is gone now and has been gone for many years, Mr. and Mrs. Busby and their family having moved away from said house many years ago. While Mr. and Mrs. Busby were living on said property, there was about four acres of the land which was cleared and which was used for a garden and in cultivation.

The reputation in the community of said property has always been that said property was owned by the Busby family. The timber on said property has been sold from time to time by the Busbys.

No persons other than the Busbys have possessed said property, or any part thereof, since I have been familiar with said property.

I have known Miss Carrie Lee Busby and have known her to visit said property from time to time over the years, and it was my understanding that said property was willed to her. She is deceased now.

Said property has been in the actual, open, continuous, exclusive, notorious, undisturbed, peaceable, adverse possession of Mr. Busby, and after him, Carrie Lee Busby, and her successors in title, to my personal knowledge for the past 50 or more years and until the present date.

Sworn to and subscribed before
me this 27th day of February, 1971.
