Dear Mr. Head:

This acknowledges receipt of your letter of September 30, 1971, regarding two parcels of tax property located in Shelby County.

The records of the State Land Commissioner shows that the tax sale in 1929 in the name of Willis A. Bradshaw, for property described as Block 64, 49, and 50 in the town of South Calera was sold by the State to Shelby County Holding Company on April 28, 1932. The State's interest in this property was conveyed by State Tax Deed No. 6280.

The records also show that property sold in 1929 in the name of S. E. and L. K. O. Rogers, and described as Block 49, 50, and 64 was cancelled on May 9, 1932, as an erroneous sale. This cancellation was made in accordance with certification received from the Tax Assessors office. You indicated in your letter of September 17, 1971, that there is a notation regarding this cancellation on the Probate Records in Shelby County. If this is true, I can see no need for a letter to the Judge of Probate informing him of this erroneous sale.

If I can be of further assistance, please advise.

Yours truly,

James K. Green
