Dear Mr. Kennerly.

Received your checks, notes
and the mortgages today on my
Laden's farm.

I'm returning the deed, also
the deed given us by Mr. Goad,
which was on the watering place
in the pasture. It cost my
dad around \$1,50⁰⁰, Lawyer fees,
etc. He said he would write
you about it. I think you
agreed to pay half of the expense.

As it is customary for Seller
to hold Abstract until property
is paid out completely. I shall
wait and send it to you later.
Unless you want it for examination,
which I assume you have already
done.

Sincerely yours,
Mrs. Annie H. D.C. Cray
