Before me, the undersigned authority, in and for said County and State, personally appeared James L. Ray, Jr., who, being known to me and being by me first duly sworn, deposes and says as follows:

That he is 49 years of age and has been County Engineer for Shelby County, Alabama for 18 years; that under his direction, he has caused a survey to be made on the property now owned by Bertha Moats in the City of Columbiana and there have been shown to him various deeds appearing of record which are difficult to follow. However, he has surveyed the land and is of the opinion that all of the various descriptions correspond and are accurately described in the deed being executed by Bertha Moats to Shelby County, a body corporate, which description is as follows:

(Description and map of property is attached as Exhibit "A" and made a part hereof.)
