TO HAVE AND TO HOLD the said easement unto the Plantation Pipe Line Company, its successors and assigns, so long as a pipeline is maintained thereon.

The undersigned Grantor(s), (his, her, their, its) successors, heirs or assigns, reserve the right to use and enjoy the said premises, except as the same may be necessary for the purposes herein granted.

By written instrument of even date herewith, Grantor has released and discharged Grantee from all such damages and Grantee is hereby granted and conveyed full rights to exercise its rights herein granted to install and construct such first additional pipeline without the payment of further damages therefor in accordance with the terms of said written instrument releasing Grantee from such damages. Delay of Grantee in locating or determining the right of way herein conveyed, or in the user of any other right or easement hereby granted, or in the laying or installing any line or additional lines in or along said rights of way, shall not result in the loss, limitation, or abandonment of any of the right, title, interest, easement or estate hereby granted. The Grantee, by the acceptance hereof, agrees to bury the pipeline(s) so that barring a subsequent change in the amount of cover, they will not interfere with the cultivation of seasonal crops. The Grantor(s) agree(s) to leave such pipeline(s) undisturbed as to location and depth.

It is understood and acknowledged by the undersigned that the person securing this grant is without authority to make any agreement in regard to the subject matter hereof which is not expressed herein, and that no such agreement will be binding on the Grantee.

The terms and provisions hereof shall inure and be binding upon the parties hereto, their respective heirs, successors or assigns.
