Before me the undersigned authority in and for said County in said State, personally appeared Quillar Hand, who, after being by me first duly sworn to speak the truth, deposes and says:

My name is Quillar Hand. I am 82 years of age and have lived in Shelby County, near Columbiana all of my life. I recall when H. S. Bristow and his wife Estelle purchased the property described on the attached sheet from some colored people. Within a very short time after they purchased the land, they hired Mr. J. R. McMillan, a Register Land Surveyor, to survey the property. He needed someone to help him and the Bristows asked me to go with him to survey the property. Mr. Bristow was sick in bed and could not go, so he got me and Mr. Thomas Hughes to go with Mr. McMillan. Mr. Hughes and I cut the lines and Mr. McMillan did the surveying work. He put stakes at all the corners and we cut out a line where he directed us for the purpose of his surveying the same.

Since that time, the Bristows have owned the land and been in the actual possession of it and I have never heard of anyone contesting their title or disputing their possession.
