My name is Minnie Shaw. I am 76 years of age. I have know the occupation, use and possession of the hereinafter described land for more than fifty years:

The NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 12, Township 19, Range 1 West, Shelby County, Alabama.

The above described property is presently owned by Jack Shaw and Minnie Lee Shaw. The residence of Jack and Minnie Lee Shaw is located on land adjacent to the above described property, where they have resided continuously for approximately seven years.

The above described property is under fence, and used for pasture; the property has been under fence for more than 40 years, and has been used continuously and exclusively for pasture purposes and under fence by affiant and her husband, Eugene Shaw, for more than 40 years up until said property was deeded to Jack and Minnie Lee Shaw in 1970. The property at one time was owned by W. Z. Shaw, the father of Eugene Shaw, and he had a peach orchard on the above described property and plowed it and cultivated it and kept it under fence for many years prior to the time it was deeded to Eugene Shaw in 1937. After 1937 and up until 1970 Eugene Shaw and affiant had the above described land under fence and pastured it and cultivated it each and every year continuously and exclusively up to the time the property was deeded to Jack and Minnie Lee Shaw as aforesaid. The entire property is now and has been for more than 40 years continuously under fence and in possession and cultivation and in use by Jack and Minnie Lee Shaw, Eugene Shaw, and W. Z. Shaw. No other person, firm, or corporation has been in possession of said land, or any part thereof, or asserted any right, title or interest therein, and there has never been any disputes concerning the occupation, use and possession of said property.
