STATE OF ALABAMA

SHELBY COUNTY

Before me, the undersigned authority in and for said County and State personally appeared C. R. Crim who is known to me and who being first by me duly sworn, deposes and says as follows:

My name is C. R. Crim. I am 64 years of age and have lived in Shelby County, Alabama all of my life and I am familiar with the following described property:

The South 1/2 of the North 1/2 of the Southwest 1/4 of the Northeast 1/4 of Section 29, Township 21, Range 2 West, lying East of the L & N Railroad right-of-way. Situated in Shelby County, Alabama.

I purchased the property adjoining the above described property in 1952, and I have owned a 40 between it since I was 21 years old.

I know for at least the last 25 years that Mr. J. C. Garrett has claimed the above described property to be his. Mr. Garrett also owns all the property surrounding the above described property on the East side of the L & N Railroad Company. I know of my own personal knowledge that Mr. Garrett has had his property fenced in, claiming it to be his own for at least the last 25 years. I also know of my own personal knowledge that Mr. Garrett has, on numerous occasions, cut various amounts of timber off the above described property for his own personal use and also sold to Bill Brown Sawmill Company in Montevallo. I have never heard of anyone other than Mr. Garrett, claiming title to this property or owning any interest in the property until the year 1976 when a claim was made by Mr. Francis Glazier. I understand that Mr. Glazier is making some claim to the above described property. I have never seen Mr. Glazier to my knowledge and have never seen him on the property and have never seen anyone physically on the said property adversely to Mr. Garrett.

Dated this 24th day of August, 1976.
