hereinafter referred to as the encroachment; and

WHEREAS, the continued maintenance of such encroachment benefits Licensee in the
use of the tract of land of which such strip of land is a part; and

WHEREAS, such encroachment, at present, inconveniences Licenser in the exercise
of such easement and restricts the uses which Licenser is now making of such strip

WHEREAS, such encroachment increases the risks imposed upon Licenser in
connection with the exercise of such easement:

NOW THEREFORE, in consideration of the premises, it is hereby agreed and covenanted between the parties hereto as follows:

Licensor hereby expressly gives its consent and permission to Licensee that such encroachment may remain upon such strip of land subject to the terms of this agreement.

Licensee will at all times hereafter indemnify, protect and save Licensor harmless from any and all claims, loss, damage, expense, and liability which Licensor may incur, suffer, sustain or be subjected to, resulting from or arising out of the construction, maintenance, use or presence of the Encroachment of Licensee upon that portion of its easement affected by the Encroachment; provided further, that Licensee shall indemnify and save Licensor harmless against such claims, loss, damage, expense, and liability to the extent the same may be caused by Licensor's acts of negligence, sole or concurrent, or that of its employees, or agents so long as such claim or loss involves in any way the construction, operation, maintenance or presence of the Encroachment.

Licensee agrees and covenants that neither by the occupancy of such portion of such strip of land with such encroachment, nor in any other way, is he claiming: (1) adversely to Licensor in its ownership of such easement, (2) the right to maintain such encroachment on such strip of land, but that the maintenance of such encroachment by Licensee is with the recognition of the superior easement of Licensor.

Licensee further agrees and covenants that he will, within sixty (60) days from the date of a written notice given him by Licensor, remove such encroachment from such strip of land.

Notice herein referred to shall be deemed to be given by Licensor if the same is in writing and addressed to the Licensee at Alabaster, Alabama, and posted in the United States mail with postage prepaid. In the event Licensee should fail, within sixty (60) days after such notice is so mailed, to remove such encroachment, Licensor is hereby given the express privilege, power and authority to remove the same or any part thereof without any liability to Licensee which may accrue on account of any loss thereby sustained.

Licensee agrees and covenants that he will in such event promptly reimburse Licensor for the reasonable expense incurred thereby upon bill being rendered for the same.
