

AMENDMENT OF SITE LEASE

980

AMENDATORY AGREEMENT, dated as of October 6,  
1976, between GATX LEASING CORPORATION, a Delaware corporation  
("GLC") and SOUTHERN INDUSTRIES CORPORATION, an Alabama  
corporation ("Southern").

RECITALS

I.

GLC, as lessee, and Southern, as lessor, are parties to  
a Site Lease dated as of June 30, 1975 (the "Site Lease")  
which Site Lease appears of record in Book 293 at Page 604,  
in the Office of the Judge of Probate of Shelby County,  
Alabama. Pursuant to said Site Lease, Southern leased to  
GLC certain real property described in Exhibit A thereto  
(the "conveyed property"), together with certain easements  
and profits for the use and enjoyment of the conveyed property,  
which easements and profits are located on and over certain  
adjoining real property described in Exhibit B thereto (the  
"easement property"). Said conveyed property and such  
easements and profits are collectively referred to as the  
"leased premises".

II

GLC, as said lessee under the Site Lease, and the  
holder of a leasehold interest thereunder in the leased  
premises, has sub-leased said leased premises to Southern  
pursuant to a Sublease dated June 30, 1975, between GLC as  
lessor and Southern as lessee (the "Sublease"), so as to  
enable Southern to construct, install, use and operate on  
said leased premises a Lime Kiln Facility pursuant to the

BOOK 301 PAGE 843

Lime Kiln Lease dated January 27, 1975, as amended, between GLC, as lessor, and Southern, as lessee (the "Lime Kiln Lease"), and to other Fundamental Agreements (as defined in the Lime Kiln Lease) between GLC and Southern. Said Sublease appears of record in Book 293 at Page 669, in the Office of the Judge of Probate of Shelby County, Alabama.

III.

GLC and Southern have entered into a Commitment Letter dated June 30, 1976 pursuant to which GLC and Southern agreed, among other things, to amend the Site Lease and the Sublease to extend the existing term of said Site Lease and Sublease for such additional period of time as may be necessary to correspond to the extension of the Delivery Date of said Lime Kiln Facility through December 31, 1976, under said Lime Kiln Lease and other Fundamental Agreements.

IV.

In order to accomplish the foregoing purposes, GLC and Southern desire to amend certain provisions of the Site Lease in the manner and to the extent hereinafter provided;

WITNESSETH:

In connection with the foregoing and in consideration thereof, GLC and Southern hereby mutually covenant and agree that from the date hereof, the Site Lease between GLC and Southern, dated June 30, 1975, and recorded in Book 293 at Page 604, in the Office of the Judge of Probate of Shelby County, Alabama, is hereby amended as follows:
