

PROOF OF DEATH AND HEIRSHIP

STATE OF ALABAMA

SHELBY COUNTY

5055

Before me, the undersigned, a Notary Public for the State of Alabama at Large, personally appeared Beverly Anne Stone, who, known to me, did, upon her oath, depose and say as follows:

My name is Beverly Anne Stone. I am unmarried. I am over the age of 21 years and I reside in Helena, Shelby County, Alabama, where I have maintained a permanent residence most of my life.

My mother, Helen E. Stone, died November 13, 1976, at the Brookwood Hospital in Jefferson County, Alabama. At the time of her death she was a resident of Helena, Shelby County, Alabama, and had resided there most of her lifetime. My mother, the decedent, did not leave a will. There have been no administration proceedings in any probate or other court on the decedent's estate. There are no unpaid debts, suits, judgments, or other claims against decedent's estate.

At the time of decedent's death she was married to my father, Edwin E. Stone, who is a resident of Helena, Alabama. My mother and father had lived together as husband and wife since the time of their marriage. My mother, the decedent, had never been married to any other person than the aforementioned Edwin E. Stone.

Decedent left two living children, myself, and one son, my brother, William E. Stone. Deceased had one other child which died at or near birth, so that there are no children of deceased children of decedent.

I have never been married but William E. Stone is married to Melody A. Stone, which is the only marriage for either my brother or his wife, and they have no children. William E. Stone is over the age of 21 years and he and his wife, Melody A. Stone, reside at Helena, Alabama.

The decedent was also known as Helen M. Stone and her name so appears on that certain Warranty Deed recorded in the Shelby County Probate Office in Deed Record #147, page 421. The said Deed reflects that the decedent and my father, Edwin E. Stone, held title to the following described real property situated in Shelby County, Alabama, to wit:

"Beginning at the Northeast corner of the SE 1/4 of the SW 1/4 of Section 15 Township 20 Range 3 West, and go thence North along the center line of said Section 85 feet, thence South 89 degrees, 48 minutes West 266 feet to the point of beginning of the property hereby conveyed and which point is marked by an Iron Stake, Continue thence South 89 degrees, 48 minutes West 361 feet to the East margin of Rolling Mill Street, Thence South 0 degrees 51 minutes East along the East margin of Rolling Mill Street 334 feet, thence North 86 degrees 55 minutes East 379 feet to the West margin of a ditch, thence North along the West margin of said ditch 313 feet to the point of beginning. Located in the SE 1/4 of SW 1/4 and the NE 1/4 of the SW 1/4 of Section 15 Township 20 Range 3 West."

BOOK 18 PAGE 390

I am acquainted with the foregoing described property which was owned by the decedent and my father. It is situated in Helena, Alabama and is the homeplace where the decedent and my father resided as husband and wife for many years. The decedent resided upon the said land at the time of her death. My father continues to live there on the said above described property.

I have read the foregoing statements which I have made and every statement contained herein is true.
