Attention: Ms. Rosita Ward

Dear Mrs. Ward:

I represent Mr. and Mrs. Oscar Harris of Shelby County who claim title to certain real estate; I have examined their abstract, and it shows an old tax sale with a rather vague description as set forth below.

The tax sale is for 1929 taxes under assessment of C. J. Sweat, the sale dated July 7, 1930, and recorded in Tax Sale Record 10 at page 128, Office of Judge of Probate of Shelby County, Alabama, the purchaser being "State of Alabama".

The property as sold as the tax sale was described as follows:

Commencing at an iron stake 60 feet south west of the NE corner of the NW $\frac{1}{4}$  of NE $\frac{1}{4}$  of Section 36, Township 19, Range 3 West on the south side of the Old Helena and Acton Road; thence south 100 feet to an iron stake at an apple tree; thence west 40 feet to Ed Jones lot; thence north 100 feet to the south side of said road; thence east 40 feet to the point of beginning... (together with other with which I am not here concerned).

I would like to know if the State claims any present interest under said tax sale.

Thank you very much for your consideration concerning this matter.

Sincerely Yours,

WALLACE, ELLIS, HEAD & FOULER
