I moved into the house located on the above described property immediately after purchasing the same and have lived on said property since that time.

During the time that I have owned said property, I have farmed portions of said property, cut enough timber from said property to build another small house, and also sold the timber off of said property approximately three years ago. During this time, I have never heard of anyone disputing my ownership to said property or anyone other than myself claiming any title to this property.

I have recently sold several portions of the above described property to my son, Charles H. Owens, as shown by Deeds recorded in Deed Book 304, pages 743 and 744, and to Jeffery L. Wray, as shown by Deed recorded in Deed Book 305, page 802, in the Probate Office of Shelby County, Alabama. The property that was conveyed by these deeds is a portion of the above described property and I have been in the actual, notorious, open, adverse, peaceful and exclusive possession of said property since the year 1945, to this date.

Sworn to and subscribed before me  
on this 12th day of April, 1977.
