Before me, the undersigned authority, in and for said County and State, personally appeared CLOIECE WILLIAMSON, who, being known to me and being by me first duly sworn, deposes and says as follows:

My name is Cloiece Williamson, and I am the owner of and have been familiar with the occupation, use and possession of the hereinafter described land for a period in excess of 30 years, said property being more particularly described as follows and situated in Shelby County, Alabama, to-wit:

A tract or parcel of land situated in Shelby County, State of Alabama, lying and being in the SE $\frac{1}{4}$ of Section 9, Township 19 South, Range 2 East, and being more particularly described as follows, to-wit: Commence at the NW corner of the said SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of the above mentioned Section 9 and proceed North 89 deg. 00 min. East along the West boundary of said Quarter Section a distance of 321.3 feet to a point on a fence; thence North 01 deg. 00' West along the above mentioned fence for a distance of 1465 feet, more or less, to the point of beginning of the property herein described; thence continue North 01 deg. 00' West for a distance of 80 feet to a point; thence North 08 deg. 20' East for a distance of 610.6 feet to a point in the center of County Road No. 81; thence South 76 deg. 48' West along the center of said road for a distance of 156.5 feet; thence South 78 deg. 46 min. West along the center of road for a distance of 178.5 feet; thence South 08 deg. 20 min. West for a distance of 625 feet to a point; thence North 89 deg. 00 min. East for a distance of 331 feet to the point of beginning, containing 5.0 acres, situated in Shelby County, Alabama.

The Western portion of said land was purchased by affiant from Jasper Foster and wife, Claide Lee Foster on April 28, 1962 and affiant has had said property in continuous and exclusive adverse possession for each and every year since said time up to and including the date hereof. On May 12, 1967 I purchased from Harold Miller the remaining portion of the property first described above and have thus been in possession of the entire property as first above described for a continuous period of more than ten years next preceding the making of this affidavit. In fact, the entire property as first described above is under fence and has been so maintained under fence as a part of my farm pasture for each and every year for more than ten years prior to the date hereof. No other person, firm or corporation has been in possession of the same during said ten year period with the exception of affiant and affiant's son, John Daniel Williamson, and there have never been any disputes concerning the occupation, use or possession of said property.

There is not and has not been a road leading from Shelby County Road No. 81 into or through the above described property, except an old field road which nobody

uses but affiant, getting to and from his pasture and field. Actually, the field road lies to the East of the first above described property and adjacent to it. But even the old field road does not go into or through the first above described property. All of the first above described property lies West of the Rocky Spring Branch.

There are no pipeline easements crossing the above described property in favor of Plantation Pipe Line Company, or any other company, person, or corporation.
