SHELBY COUNTY)

Before me, the undersigned authority, a Notary Public in and for said County, in said State, personally appeared DEWEY CARDEN, JR., who, after being by me first duly sworn to speak the truth, deposes and says as follows:

My name is Dewey Carden, Jr. and I am one of the owners of Lot 6, Block 68, according to map entitled Shelby, Alabama, by Ed. S. Safford, Engineer, as recorded in Map Book 3 on pages 38 and 47, in the Probate Office of Shelby County, Alabama. The above described property is part of a larger tract which at one time was owned by my mother and father Dewey Carden and Reclé Carden. The property was sold by my mother to Richard Porter and wife, Fay Porter and I purchased it back from them in 1972. There is no school on said property nor has there been for more than 30 years prior to this date. I am living on an adjacent lot and have a shop building on Lot 6 described above. There has never been any dispute whatsoever concerning my ownership, use, occupation and possession of said property or Richard Porter and wife, Fay Porter or that of my mother and father.
