David Nichols

February 16, 1978

Mr. Larry Lumpkin:

The restrictions on Hidden Valley Sub-division require a 50' Building Line from the street, which is a 60' street (30' from center line). The city will acknowledge an 18' variance on your lot. The discrepancy lies in that the measurement was from the pavement and not from the 30' center line of the street. We regret the mis-measurement on our part.
