EXHIBIT B

EXHIBIT I

PROTECTIVE COVENANTS

STATE OF ALABAMA)
SHELBY COUNTY)

WHEREAS, Daniel International Corporation (hereinafter "Developer") is the owner of the real property described in Schedule A (hereinafter "property" or "subdivision"), attached hereto and made a part hereof; and

WHEREAS, the Developer desires to subject said property and each lot located therein to the conditions, limitations and restrictions hereinafter set forth.

NOW, THEREFORE, the Developer does hereby expressly adopt the following protective covenants, conditions and limitations for said property, to-wit:

That the real property described on Schedule A hereto shall be held, conveyed, hypothecated or encumbered, rented, used, occupied and improved subject to these Protective Covenants, which shall run with the land and shall be binding upon Developer, and upon all parties having or acquiring any right, title, or interest in any part of the real property subject to these Protective Covenants.

If any person having or acquiring any right, title or interest in any part of the real property subject to these Protective Covenants, or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

(a) All lots in the subdivision shall be known and described as residential lots. No structure shall be erected, altered, placed or permitted to remain on any residential building lot other than detached single family dwelling not to exceed two and one-half stories, or 35 feet in height and a private garage for not more than three cars, and other outbuildings incidental to and necessary for proper residential use of the lot.

Notwithstanding anything to the contrary herein, Daniel International Corporation or its assigns shall be permitted to construct and maintain on one lot only a structure and related facilities designed and used as a sales center for the marketing of real estate including the lots subject to these covenants and adjoining land and improvements thereon owned by Daniel International Corporation or its assigns.

(b) No building shall be located on any lot nearer to the front lot line or nearer to the side street line than the minimum building setback lines shown on the recorded plat. No building shall be located on any lot nearer than 35 feet to the front lot line, or nearer than 25 feet to any side street line. No building shall be located nearer than 10 feet to an interior lot line. No dwelling shall be located on any interior lot nearer than 35 feet to the rear lot line. For the purpose of this covenant, caves, steps, and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building on a lot, to encroach upon another lot.

(c) No residential structure shall be erected or placed on any lot which lot has an area of less than 15,000 square feet.

(d) No noxious or offensive trade or activity shall be carried on upon any lot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

(c) No trailer, tent, shack, garage, barn or other outbuilding erected in the tract shall, at any time, be used as a residence temporarily or permanently, nor shall any structure of a temporary character be used as a residence.

(f) Each main structure residential building, exclusive of open porches, garages, basements and carports, shall be not less than 1,200 square feet on the ground floor of any one story building and not less than 1,000 square feet on the ground floor in the case of a one and one-half story structure and not less than 900 square feet on the ground floor in the case of a two-story structure.

(g) No more than a single family unit shall occupy any dwelling house.

(h) No lot shall be further subdivided without the written consent of developer.

(i) No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street lines or in the case of a rounded property corner from the intersections of the street property lines extended. The same sight line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

(j) No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one sign of not more than six square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period. This provision shall not apply to Daniel International Corporation or its assigns during the sales period.

(k) No oil drilling, oil development operation, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

(l) No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any lot, except horses, dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.

(m) No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

(n) Enforcement of these covenants and restrictions shall be by proceeding in law or equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

(o) No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to harmony of external design with existing structures and as to location with respect to topography and finish grade elevation. THE SCOPE OF REVIEW BY THE COMMITTEE SHALL BE LIMITED TO APPEARANCE ONLY AND SHALL NOT INCLUDE ANY RESPONSIBILITY OR AUTHORITY TO REVIEW FOR STRUCTURAL SOUNDNESS, COMPLIANCE WITH BUILDING OR ZONING CODES OR STANDARDS, OR ANY OTHER SIMILAR OR DISSIMILAR FACTORS. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved.

(p) The Architectural Control Committee is composed of any three officers of Daniel International Corporation or its successor, or its subsidiaries. The members of the committee shall not be entitled to any compensation for services performed pursuant to this covenant. At any time, the then record owners of a majority of the lots shall have the power, through a duly recorded written in-

strument, to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

(q) The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee fails to approve or disapprove within 30 days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

(r) These covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty years from the date of the recording of the plat, at which time said covenants and restrictions shall be automatically extended for successive periods of ten years unless by a vote of the majority of the then owners of the lots it is agreed to change the said covenants and restrictions in whole or in part. These restrictions may not otherwise be amended in any respect except by the execution of an instrument signed by not less than 75% of the lot owners.

IN WITNESS WHEREOF, Developer has caused this instrument to be executed by its duly authorized officer on this the 12th day of May, 1978.
