(b) lease any part or parts thereof for such periods of time, and upon such terms and conditions as the Assignee may, in its reasonable discretion, deem proper;

(i) generally, do execute and perform any other act, deed, matter or thing whatsoever that ought to be done, executed and performed in and about or with respect to the Mortgaged Premises, as fully as the Assignor might do.

The Assignee shall apply the net amount of rents, issues and profits received by it from the Mortgaged Premises, after payment of all proper costs and charges (including any loss or damage hereinafter referred to in paragraph "4.") to the reduction and payment of the debt secured by the Mortgage. The Assignee shall be accountable to the Assignor only for monies actually received by the Assignee pursuant to this assignment.

For the purpose of this paragraph "2.", a default shall be deemed to be cured only when the Assignor shall have paid in full all sums owing and past due, and/or shall have performed all other terms, covenants and conditions, failure in the performance of which terminated the license hereinabove mentioned.

3. The Assignor hereby irrevocably directs each Lessee under each Assigned Lease and under any other lease which shall hereafter become an Assigned Lease, upon demand and notice from the Assignee of the Assignor's default under the Mortgage or under this assignment to pay the Assignee all rents, issues and profits accruing or due under its lease from and after the receipt of such demand and notice. Any lessee making such payment to the Assignee shall be under no obligation to inquire into or determine the actual existence of any such default claimed by the Assignee.

4. The Assignor hereby agrees to indemnify and hold the Assignee harmless against and from any and all liability, loss, damage and expense, including reasonable attorneys' fees, which it may or shall incur under any of said leases, or by reason of this assignment, or by reason of any action taken by the Assignee hereunder, and against and from any and all claims and demands whatsoever which may be asserted against the Assignee by reason of any alleged obligation or undertaking on its part to perform or discharge any of the terms, covenants and conditions

contained in any of the said leases. Should the Assignee incur any such liability, loss, damage or expense, the amount thereof, together with interest thereon at the maximum rate permitted by law, shall be payable by the Assignor to the Assignee immediately upon demand, or at the option of the Assignee, the Assignee may reimburse itself therefor out of any rents, issues or profits of the Mortgaged Premises collected by the Assignee. Nothing contained herein shall obligate or be constructed to obligate the Assignee to perform any of the terms, covenants or conditions contained in any Assigned Lease or otherwise to impose any obligation upon the Assignee with respect to any of said leases, including, but not limited to, any obligation arising out of any covenant of quiet enjoyment therein contained, in the event that any lessee shall have been joined as a party defendant in any action to foreclose the Mortgage and the estate of such lessee shall have been thereby terminated. Prior to actual entry into and taking possession of the Mortgaged Premises by the Assignee, this assignment shall not operate to place upon the Assignee any responsibility for the operation, control, care, management or repair of the Mortgaged Premises, and the execution of this assignment by the Assignor shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Premises is and shall be that of the Assignor, prior to such actual entry and taking of possession.

5. The Assignor represents and warrants that the Assignor has duly and punctually performed all and singular the terms, conditions and covenants of the aforesaid leases on Assignor's part to be kept, observed and performed; that the Assignor has not sold, assigned, transferred, mortgaged or pledged any of the rents, issues and profits from the Mortgaged Premises or any part thereof, whether now due or hereafter to become due, to any person, firm or corporation other than the Assignee; that each executed Assigned Lease is valid and in full force and effect; that no

rents, issues or profits of the Mortgaged Premises, or any part or parts thereof, becoming due subsequent to the date hereof have been collected nor has payment of any of the same been anticipated, waived, released, discounted or otherwise discharged or compromised and that no lessee thereunder is in default under any of the terms of its lease. The Assignor agrees that so long as no default shall exist under the Mortgage or this Assignment, the Assignor will enforce or secure the performance of each and every obligation, covenant, condition and agreement to be performed by each lessee under each Assigned Lease, and any lease which may hereafter become an Assigned Lease.

6. The Assignor agrees to execute and deliver to the Assignee, at any time or times during which this assignment shall be in effect, such further instruments as the Assignee may deem necessary to make effective this assignment and the several covenants of the Assignor herein contained. The Assignor further agrees that at all times during which this assignment shall be in effect, the Assignor will use its best efforts to keep the Mortgaged Premises fully rented at the highest rentals obtainable and after the date of this assignment will promptly furnish the Assignee with a complete copy of each such lease.

7. Failure of the Assignee to avail itself of any of the terms, covenants and conditions of this assignment for any period of time, or at any time or times, shall not be construed or deemed to be a waiver of any of its rights hereunder. The rights and remedies of the Assignee under this instrument are cumulative and are not in lieu of but are in addition to any other rights and remedies which the Assignee shall have under or by virtue of the Mortgage. The rights and remedies of the Assignee hereunder may be exercised from time to time and as often as such exercise is deemed expedient.

8. The Assignee shall have the right to assign to any subsequent holder of the Mortgage, or to any person acquiring title to the Mortgaged Premises, the Assignor's rights, title and interest

in any lease hereby or hereafter assigned, subject, however, to the provisions of this assignment. After the Assignor shall have barred and foreclosed of all right, title and interest and equity of redemption in said Mortgaged Premises, no assignee of the Assignor's interest in said leases shall be liable to account to the Assignor for any rents, income, revenue, issues or profits thereafter accruing.

9. Upon payment in full of all the indebtedness secured by the Mortgage, as evidenced by a recorded satisfaction or release of Mortgage, as well as any sums which may be payable hereunder, this assignment shall become and be void and of no effect and, in that event, upon the request of the Assignor, the Assignee covenants to execute and deliver to the Assignor instruments effective to evidence the termination of this assignment and/or the reassignment to the Assignor of the rights, power and authority granted herein, provided, however, that as to any lessee of any portion of the Mortgaged Premises, any affidavit, certificate or other written statement of any officer of the Assignee, stating that any part of said indebtedness remains unpaid, shall be and constitute conclusive evidence of the then validity, effectiveness and continuing force of this assignment and any person, firm or corporation receiving any such affidavit, certificate or statement may, and is hereby authorized to, rely thereon. As against the Assignee, at all times during which this assignment shall be in effect there shall be no merger of the leases assigned hereunder or the leasehold estates created thereby with the fee estate in the Mortgaged Premises by reason of the fact that said leases or any interest therein may be held by or for the account of any person, firm or corporation which may be or become the owner of said fee estate, unless the Assignee shall consent in writing to said merger.

10. No change, amendment, modification, cancellation or discharge hereof, or of any part hereof, shall be valid unless the Assignee shall have consented thereto in writing.

11. In the event there is any conflict between the terms and provisions of the Mortgage and the terms and provisions of this assignment, the terms and provisions of this assignment shall prevail.

12. The terms, covenants and conditions contained herein shall inure to the benefit of, and bind the Assignor and the Assignor and their respective distributees, heirs, representatives, successors and assigns.
