BOOK This one year term is for the purpose of accommodating the Lessee, Shelly Cain, Jr., due to a conflict in a certain equipment lease with Higginbotham Oil Company, Inc., and Equico Lessors, Inc.

BOOK The rental for the one year term shall be adjusted to reflect the change in the cost of living as shown by the Consumer Price Index published by the Bureau of Labor Statistics of the United States Department of Labor, or, if said Consumer Price Index is discontinued, then by any comparable index. Thus, the Lessee, Shelly Cain, Jr., agrees that at the end of the initial five year term that the monthly rental will be increased or decreased in the same percentage that the Consumer Price Index or comparable index has increased or decreased from the date of this lease to the termination of the initial five (5) year term.

2. The three separate five year options shall remain the same as described in paragraph four of the lease dated September 30, 1978, between the parties except that the first option may be exercised at the expiration of the one year term described in paragraph one of this agreement.

3. It is agreed by Shelly Cain, Jr., as Lessee, and Higginbotham Oil Company, Inc., as Lessor, in regard to that certain equipment lease dated April 2, 1979,, that in the event there is a default under the terms of the equipment lease between these parties that each party shall give Andress Engineering Company notice in writing by

certified mail stating as to the conditions creating the default.

It is further agreed that Andress Engineering Company shall have the option within thirty (30) days of receipt of notice to cure the default condition or conditions and assume the equipment lease as Lessee under the same terms and conditions as Shelly Cain, Jr., Lessee.

Shelly Cain, Jr., shall be responsible for indemnification and payment of all of Andress Engineering Company's expenses which shall include attorney fees in connection with any default.

4. Upon expiration of the lease dated September 30, 1978, and vacation of the property by the Lessee, it is further agreed that the Lessee shall remove all subsurface tanks or leave them in such a condition as shall be approved by Andress Engineering Company in writing.

5. The Lessee, Shelly Cain, Jr., does hereby further warrant that in the event any equipment is removed from the building or any improvements that such structures and surface will remain in satisfactory condition, ordinary wear and tear excepted. That Shelly Cain, Jr., shall be responsible for such damages and expenses due to the removal of the equipment.

6. The lease dated September 30, 1978, shall continue in its entirety to be binding upon Andress Engineering Company as Lessor, and Shelly Cain, Jr., as Lessee, except for the above modifications.
