Before me, the undersigned authority, in and for said County and State,
personally appeared Claude Harris,
who, being known to me and being by me first duly sworn, deposes and says as
follows:

My name is Claude Harris.

I am familiar with the following described property; and have been so familiar
for a period in excess of _____ years:

Commencing at the SE corner of Section 20, Township 22 South, Range 2
West, and run thence South 86 deg. 30' West along the South boundary
of said Section 20, 302 feet to the point of beginning of the lot
herein described, which said point is marked by an iron pin; thence
North 29 deg. 40' West 225 feet; thence South 63 deg. 03' West 77.30
feet; thence South 28 deg. 14' East 188.72 feet to the South boundary
of said Section 20, which said point is marked by an iron pin; thence
North 86 deg. 30' East along the South boundary of said Section 20,
91 feet to the point of beginning. Situated in Shelby County, Alabama.

When my wife and I first bought our property by deed recorded in Deed Book
223, page 322 in 1962 it erroneously included more land than was intended, however,
a deed of correction was executed which is recorded in Deed Book 264, page 488 and
it correctly describes our land as described above. I know of my own knowledge that
there is no dispute by any of the land owners on any of the four sides of the
above described property; there is no dispute by anyone concerning the location of
any of the boundary lines separating the above property from any other land owner.
The property lines of said land are well defined and there is no question as to
the location of the same; and I have never heard the title to the above property
questioned in any way.
