to insure titles in Alabama, in the amount of the purchase price, insuring the Purchaser against loss on account of any defect or encumbrance in the title to the Real Estate, unless herein excepted. If the Purchaser is unable to obtain such title insurance policy for the standard premium, at the option of the Purchaser, the earnest money shall be refunded and this contract shall be null and void or such encumbrances may be cleared from the sale proceeds.

The Real Estate is sold and is to be conveyed subject to any zoning ordinances pertaining to it. The taxes are to be prorated between the Sellers and the Purchaser as of the date of delivery of the deed.

The sale shall be closed and the deed delivered on or before six months from the date hereof, except that the Sellers shall have a reasonable length of time within which to perfect title or cure defects in the title to the Real Estate. In order to correct certain defects or alleged defects in their title to the Real Estate, the Sellers filed a bill to quiet title in the Circuit Court of Shelby County, Alabama against certain people who claim an interest in the Real Estate. Said action has been heard, but the final judgment in the case has not been rendered. Notwithstanding any other provision contained in this contract, if a final judgment in said suit is rendered in favor of the Sellers and all appeal periods expire with no appeal having been taken and the Sellers are able to convey the Real Estate to the Purchaser in accordance with the terms of this contract, or if either the Sellers or the other parties appeal the judgment of the trial court and the final outcome of any such appellate review is favorable to the Sellers and vests title to the Real Estate in the Sellers so that the Sellers are able to convey the Real Estate to the Purchaser in accordance with the terms of this contract, then, upon either the Sellers or the Purchaser giving the other party or parties hereto, or their attorney, written notice of their or its desire to close the sale, such notice to be sent by certified mail or registered mail (if such notice is sent to the parties hereto it shall be addressed to the parties

at the addresses shown beneath their respective signatures on this contract), the sale shall be closed within three weeks of the date such notice is sent, even if such closing date is less than six months from the date of this contract. Possession of the Real Estate is to be given to the Purchaser on delivery of the deed. The Sellers hereby warrant and represent that the Real Estate is not subject to any leases and that no one except the Sellers have any right to the possession of the Real Estate, or any part thereof.

If the Sellers are unable to clear the title to all of the Real Estate but are able to clear the title to a portion of the Real Estate, then Martin Marietta may, but shall not be required to, purchase all of that portion of the Real Estate to which the title has been cleared and which is located west of the intersection of the Coffee-Freeman Base Line and the section line which divides Section 5, Township 24 North, Range 13 East from Section 4, Township 24 North, Range 13 East, Shelby County, Alabama. The price for said portion of the Real Estate shall be \$1,000 per acre and if the Sellers and the Purchaser cannot agree on the amount of acreage in said portion of the Real Estate, the acreage shall be determined by Walter Schoel Engineering Company and the Sellers and the Purchaser shall each pay one-half of the cost of such determination.

If the Purchaser fails to carry out and perform the terms of this agreement the earnest money, as shown herein shall be forfeited as liquidated damages at the option of the Sellers, provided that the Sellers agree to the cancellation of this contract.

The Sellers agree to convey the Real Estate to the Purchaser by general warranty deed free of all encumbrances, except the following and the Sellers agree that any encumbrances not herein excepted may be cleared at time of closing from the sale proceeds:

Unless excepted herein, the Sellers warrant that they have not received any notification from any governmental agency of any pending public improvements, or any notice requiring any repairs, replacements or alterations to said premises that have not been satisfactorily made.

This contract replaces and supersedes the contract, dated January 11, 1977, between the Sellers and the Purchaser, as amended by instruments dated July 10, 1978 and December 20, 1978.
