KNOW ALL MEN BY THESE PRESENTS, THAT

WHEREAS, the undersigned owners of record of the following described real estate in Shelby County, Alabama, to wit: Riverchase Country Club Subdivision as shown on the plat recorded in Map Book 7, Page 114, in the office of the Judge of Probate of Shelby County, Alabama; and

WHEREAS, the said undersigned owners are desirous of establishing or placing the heretofore described subdivision under certain restrictive covenants to insure the use of the property for attractive residential purposes and thereby to secure to each site owner the same advantages insured to other site owners.

NOW, THEREFORE, the undersigned owners do hereby adopt the following conditions, restrictions, covenants and limitations which shall apply in their entirety to lots

37 and 43 in the said subdivision and shall be included as a part of the consideration in transferring and conveying title to any or all of said lots in said subdivision:

1. The owners of lots within said subdivision will not erect or grant to any person, firm or corporation the right, license or privilege to erect or use or permit the use of overhead wires, poles, or overhead facilities of any kind for electrical or telephone service on said real estate except such poles and overhead facilities as may be required at those places where distribution facilities enter and leave said subdivision or such overhead rear lot poles and facilities around the perimeter of said subdivision as are necessary to provide electric service to the underground distribution system; provided, however, that no overhead service of any kind, electric, telephone or cable television is to be available from any such perimeter overhead line. Nothing herein shall be construed to prohibit overhead street lighting, or ornamental yard lighting, where serviced by underground wires or cables. The overhead line in this subdivision is limited to the perimeter line, generally along the southern boundary.

2. In order to beautify said subdivision for the benefit of all lot owners and permit Alabama Power Company to install underground electric service to each house in said subdivision for the mutual benefit of all lot owners therein, no owner of any lot within said subdivision will commence construction of any house on any said lot until such owner (1) notifies Alabama Power Company that such construction is proposed, (2) grants in writing to Alabama Power Company such rights and easements as Alabama Power Company requests in connection with its construction, operation, maintenance and removal of underground service lateral on each lot, and (3) otherwise complies with the Rules and Regulations for Underground Residential Distribution on file with and approved by the Alabama Public Service Commission.

3. Alabama Power Company, its successors and assigns, will retain title to the underground service lateral and outdoor metering trough serving each said house, and said service entrance facilities provided by Alabama Power Company will not in any way be considered a fixture or fixtures and thereby a part of said real estate, but will remain personal property belonging to Alabama Power Company, its successors and assigns, and will be subject to removal by Alabama Power Company, its successors and assigns, in accordance with applicable Rules and Regulations filed with and approved by the Alabama Public Service Commission.
