It is agreed and understood by and between the parties hereto that this lease does not cover nor include coal, iron ore, or other minerals mined by the open pit or snaft method

It is the intention of Lessor and Lessee that this lease shall also include, and there is hereby included, granted, leased and let, for the purposes and consideration berein stated, all the land owned or claimed by Lessor, adjacent or contiguous to the land particularly described above, whether the same be in said section or sections grant or grants, or in adjacent sections or grants, although not included within the boundaries of the land particularly described above. For the purpose of determining

thereafter as oil, gas or other mineral is produced from said land or lands with which said land is pooled hereunder. 3. The royalties to be paid by Lessee are: (a) on oil, one-eighth (1/8) of that produced and saved from said land, the same to be delivered at the wells of to the credit of Lessor into the pipeline to which the wells may be connected; Lessee may from time to time purchase any royalty oil in its possession, paying the market prime therefor prevailing for the field where produced on the date of purchase, in either case such interest to bear its proportion of any expense of treat ing uning shantable oil to render it merchantable as crude; (b) on gas, one-eighth (1/8) of the market value at the well of the gas used in the section operations no connected with the land leased or any pooled unit containing all or a part of said land; the royalty on gas sold by Lessee to be one-eighth (1/8) of the amoun realized at the well from such sales; (c) one-eighth (1/8) of the market value at the mouth of the well of gas used by Lessee in manusacturing gasoline of other by-products, except that in computing such value, there shall be excluded all gas or components thereof used in lease or unit operations; and (d) o all other minerals mined and marketed, one-tenth (1/10) either in kind or value at the well or mine, at Lessee's election, except that on sulphur mined an marketed; the royalty shall be fifty cents (50c) per long ton. In the event that any well on the land or on property pooled therewith (or with any part thereof is capable of producing oil or gas or gaseous substances in paying quantities but such minerals are not being produced, then Lessee's rights may be maintained, i the absence of production or drilling operations, by commencing or resuming rental payments (herein sometimes referred to as shut in gas payments) as herein after provided in paragraph 6. Should such conditions occur or exist at the end of or after the primary term, or within sixty (80) days prior to the expitation there of, Lessee's rights may be extended beyond and after the primary ferm by the commencement, resumption or continuance of such payments at the rate and in the matter herein provided for tental payments during the primary term, and for the purpose of computing and making such payments the expiration date of the primary term and each anniversary date thereof shall be considered as a fixed rental paying date, and if such payments are made, it will be considered that o or yas or gaseous substance is being produced within the meaning of paragraph 2 hereof. Lessee shall have free use of oil, gas, ON NOTO and water from sai

land, except water from Lessor's wells, for all operations hereunder, and royalty on oil, gas and EXX shall be computed after deducting any so used.

4. Lessee, at its option, is hereby given the right and power to pool or combine the acreage covered by this lease or any operation thereof with other land, lease or leases in the immediate vicinity thereof, when in Lessee's judgment it is necessary or advisable to do so in order properly to develop and or erate said premises in compliance with any lawful spacing rules which may be prescribed for the field in which this lease is situated by any duly authorize authority, or when to do so would, in the judgment of Lessee', promote the conservation of the cil and gas in and under and that may be produced from said premises. Lessee shall execute in writing an instrument identifying and describing the pooled acreage. The entire acreage so pooled into a tract or un shall be treated, for all purposes except the payment of royalties on production from the pooled unit, as if it were included in this lease. If production is found on the pooled acreage, it shall be treated as if production is had from this lease, whether the well or wells be located on the premises covered by this lease on the royalties elsewhere herein specified, Lessor shall receive on production from a unit so pooled only such portion of the rayalty stipulate herein as the amount of his acreage placed in the unit or his royalty interest therein on an acreage basis bears to the total acreage so pooled in the particula unit involved.

6. If prior to discovery of oil, gas or other mineral on said land or on acreage pooled therewith Lessee should drill a dry hole or holes thereon, or after discovery of oil, gas or other mineral, the production thereof should cease from any cause, this lease shall not terminate if Lessee commences addition drilling or reworking operations within 60 days thereafter or if it be within the primary term, commences or resumes the payment or tender of recitals or conmences operations for drilling or reworking on or before the rental paying date next ensuing after the expiration of 60 days from date of condition of the or cessation of production. If at any time subsequent to sixty (60) days prior to the heginning of the last year of the primary term and prior to the discovery of oil, gas or other mineral on said land, or on acreage pooled therewith, Lessee should drill a dry hole thereon, no rental payment or operations at necessary in order to keep the lease in force during the remainder of the primary term. If at the expiration of the primary term, oil, gas or other mineral is not being produced on said land, or on acreage pooled therewith, but Lessee is then engaged in drilling or reworking operations are prosecuted a dry hole thereon within sixty (60) days prior to the end of the primary term, the lease shall remain in force so long as operations are prosecuted with no cassation of more than sixty (60) consecutive days, and if they result in the production of oil, gas or other nineral, so long thereafter as oil, gor other mineral is produced from said land or acreage pooled therewith. In the event a well or wells producing oil or gas in paying quantities should be brought in on adjacent land and within one hundred lifty (150) feet of and draining the leased premises, or acreage pooled therewith, Lessee agrees

drill such offset wells as a reasonably prudent operator would drill under the same or similar circumstances.

7. Lessue shall have the right at any time during or after the expiration of this lease to remove all property and fixtures placed by Lessee on sa land, including the right to draw and remove all casing. When required by Lessor, Lessee will bury all pipe lines below ordinary plow depth, and no we shall be drilled within two hundred (200) feet of any residence or barn now on said land without Lessor's consent. Lessee shall be responsible for a

damages caused by Lessee's operations hereunder other than damages necessarily caused by the exercise of the rights herein granted, 8. The rights of either party hereunder may be assigned in whole or in part, and the provisions hereof shall extend to their heirs, successors as assigns: but no change or division in ownership of the land, rentals or royalties, however accomplished, shall operate to enlarge the obligations or dimini the rights of Lessee; and no change or division in such ownership shall be binding on Lessee until thirty (30) days after Lessee shall have been furnished l registered U. S. mail at Lessoe's principal place of business with a certified copy of recorded instrument or instruments evidencing same. In the event assignment hereof in whole or in part liability for breach of any obligation hereunder shall rest exclusively upon the owner of this lease or of a partion there of who commits such breach. In the event of the death of any person entitled to rentals hereunder, Lessee may pay or tender such rentals to the credit the deceased or the estate of the deceased until such time as Lessee is furnished with proper evidence of the appointment and qualifications of an executor administrator of the estate, or if there be none, then until Lessee is furnished with evidence satisfactory to it as to the heirs or devisees of the deceased, as that all debts of the estate have been paid. It at any time two or more persons be entitled to participate in the rental payable hereunder, Lessee may pay tender said rental jointly to such persons or to their joint credit in the depository named herein; or, at Lessee's election, the proportionate part of said rent to which each participant is entitled may be paid or tendered to him separately or to his separate credit in said depository; and payment or tender to an participant of his portion of the rentals hereunder shall maintain this lease as to such participant. In event of assignment of this lease as to a segregated po tion of said land, the rentals payable hereunder shall be apportionable as between the several leasehold owners ratably according to the surface area of eac and default in rental payment by one shall not affect the rights of other leasehold owners hereunder. If six or more parties become entitled to royalty her under, Lessee may withhold payment thereof unless and until furnished with a recordable instrument executed by all such parties designating an agent to re-
