STATE OF ~~ALABAMA~~ Florida
SHELBY COUNTY of Escambia

Before me, the undersigned authority, a Notary Public in and for said County and said State, personally appeared James R. Kelly, who, after being by me first duly sworn to speak the truth, deposes and says as follows:

My name is James R. Kelly and I am familiar with the exact location of the property described on Exhibit "A" attached hereto and made part and parcel hereof as fully as if set out herein, which said property is the same property which is being leased by Etta Boles, Eunice Vance and Carl Vance to St. Regis Paper Company. The description of the property on Exhibit "A" and specifically Parcel A thereof does not tie into the government survey line but is located according to a mile marker on the adjoining railroad. I do know, of my own knowledge, however, that said property described on Exhibit "A", including both Parcel A and B, is located entirely within the confines and boundaries of the Etta Boles property as described in her deeds and said property does not overlap or cross over the outside boundary limits of the Etta Boles property at any point.
