

AFFIDAVIT OF MRS. P. B. DAVIS

STATE OF ALABAMA
SHELBY COUNTY

Before me, Melford O. Cleveland, a Notary Public in and for the State of Alabama at Large, personally appeared Mrs. P. B. Davis, who is known to me, and who first being duly sworn by me deposed and stated as follows:

1. I am Mrs. P.B. Davis, and I am very familiar with the Moore's Cross Road Church of God. The mother and father of my husband, Mr. P.B. Davis helped to found the said Church and I have been a life long member of it. *I was born August 29, 1924.*

2. The said Church of God at Moore's Cross Road was started in 1940 when C.E. Jones, the owner of the property gave it to the Church of God of Lipscomb. Thereafter the first church was built on the property and it was completed in 1941.

3. Some time thereafter the said Lipscomb Church gave the Church of God property located at Moore's Cross Road to the Moore's Cross Road Church of God.

4. Throughout the years from 1941 until the said Church was disbanded in the last part of the year 1980, my family and I attended services there on a regular basis. This was an active Church during all this period of time.

5. The property on which the said Moore's Cross Road Church of God is located, and the surrounding property is reputed in the community to be the property of the Moore's Cross Road Church of God. This has been the reputation of the property since at least 1941 when the first church was completed on the property. I have never heard of the right or title of the said Church to the said property being disputed at any time during the more than 40 years I have known about the property. No other person or organization has been in possession of the said property or any portion of it during all that time. During all of this period from 1941 to the present, the Moore's Cross Road Church of God has occupied the property openly, notoriously, and adversely to the world.
