Before me, Melford O. Cleveland, a Notary Public in and for the State of Alabama at Large, personally appeared Mr. P. B. Davis, who is known to me, and who first being duly sworn by me deposed and stated as follows:

1. I am Mr. P.B. Davis and I am very familiar with the Moore's Cross Road Church of God. My mother and father were founders of the Church. *I was born November 2, 1919*

Mr. P. B. Davis

2. The Moore's Cross Road Church of God was founded when Mr. C. E. Jones, the owner at that time of the property on which the Church now stands, gave the property to the Lipscomb Church of God. This was in 1940. Thereafter the Lipscomb Church of God gave the property to the Moore's Cross Road Church of God.

3. The first church building was completed on the property in 1941. Thereafter this was an active church with regular services until the Church was disbanded in the latter part of 1980.

4. The property on which the Moore's Cross Road Church of God is located, and the surrounding property is reputed in the community to be the property of the Moore's Cross Road Church of God. This has been the situation since at least 1941 when the first church building was erected on the property. I have never heard of the right or title of the said Church to the property being disputed at any time during the more than 40 years I have known about the property. No other person or organization has been in possession of the said property or any portion of it during all that time. During all this period from 1941 to the present the said Church has occupied the said property openly, notoriously, and adversely to the whole world.
