1. The Commission has received information from the Ministry of Health, the Ministry of Education and the Ministry of Labour, that the Government is considering the possibility of introducing a new system of health insurance, which would be based on the principle of universal coverage. The Commission is of the opinion that such a system would be a significant step towards the achievement of the goal of universal health coverage, which is one of the main objectives of the World Health Organization's strategy for the 21st century.
