Re: 1962 Materials Option

Dear Mr. Ray:

On August 17, 1962, Longview Lime Corporation granted to the State of Alabama acting through the State Highway Department the right to remove chert from the SW $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 9, Township 21 South, Range 2 West, Shelby County, Alabama. A copy of the Materials Option, dated August 17, 1962, is enclosed. The Option provides in part, that it may be canceled by either party giving the other party thirty days written notice of cancellation. As you are aware, the Mead Corporation was the successor in title to Longview Lime Corporation, and effective November 30, 1979, they elected to cancel this option.

My client, Mr Charles E. Justice, has purchased this property from the Mead Corporation, and as such successor in title he has asked me to act as his agent in the cancellation of this option on his part. Therefore, I hereby advise you that Mr. Charles E. Justice hereby elects to cancel said Materials Option, dated August 17, 1962, effective April 30, 1981.

Sincerely Yours,

Mike T. Atchison, Attorney at Law
Agent for Mr. Charles E. Justice
