Notwithstanding anything herein to the contrary, it is hereby agreed that each royalty owner may, it his option, take his royalty share of gas in kind. Within thirty (30) days after receipt of notice from the owner of the lease of the completion of a well depable of producing gas in paying quantities upon the leased premises or acreage pooled therewith, each royalty owner shall notify such owner in writing of his election to take his royalty share of gas in kind or of his election to allow such owner to dispose of such royalty shere of gas. The failure of a royalty owner to make known his election to such owner shall be an election to allow the owner of the lease to dispose of such gas. If a royalty owner elects to take his royalty share of zee in kind, delivery of such gas shall be made at the well to him or his designate free of cost, expense and liability to the owner of the lease. If a royalty numer elects not to take his royalty share of gas in kind, the cuner of the lease may contract for the sale of same upon the same terms and conditions under which such owner disposes of all gas produced and the royalty owner's proceeds for such gas shall thereafter be based upon the price receired therefor by such owner.

A "gas wel." as used in Paragraph #3 hereof shall be construed as a well capable of producing gas and/or condensate and/or distillate and/or other gaseous substance in commercial quantities, and the term "gas" shall be construed to include any such substances.

It is the intention of Lesson and Lesson that this lease shall also include, and there is hereby included. Franted, leased and let, for the purposes and tonsideration nersin stated, all the land owned or claimed by Lessor, adjacent or contiguous to the land particularly described above. Whether the same be in said section or sections. grant or grants, or in adjacent sections or grants, although not included within the boundaries of the land perticularly described above. For the purpose of determining

or less, and in the event of a partial assignment or surrender hereunder, the assigned or surrendered portion or portions shall be deemed to contain the number of acree of stated in such assignment or surrender. stated in such autienment or surrender.

2. Subject to the other provisions herein contained, this lease shall be for a term of Nab Years from this date (called "primary term") and as long A thereafter as oil, gas or other mineral is produced from said land or lands with which said land is pooled hereunder.

3. The rayalties to be paid by Lessee are: (a) on oil, one-eighth of that produced and laved from said land, the same to be delivered at the wella or to the credit of Lesser into the pipe line to which the wells may be connected; Lessee may from time to time purchase any toyalty oil in its presention. paying the market price therefor prevailing for the field where produced on the date of purchase, in either case such interest to bear its proportion of any expense of treating unmerchantable oil to render it merchantable as crude; (b) on gas, including easinghead gas or other gaseous substance, produced from and land and sold or used off the premises or in the manufacture of gasoline or other product therefrom, the market value at the well of onmeighth of the gas so sold or used, provided that on gas sold at the wells the royalty shall be une-eighth of the amount realized from such saie; where gas from a gas well is not sold or used. Lessee may pay as royalty \$100.00 per well per year and if such payment is made it will be considered that gas is being produced within the menning of Paragraph 2 hereof; and for on all other minerals mined and marketed, one-tenth either in kind or value at the well or mine, at Lessee's election, except that on sulphur mined and marketed, the royalty shall be fifty cents (50c) per long ton. Lessee shall have free use of oil, gas, cost, wood and water from said land, except water from Lessor's wells, for all operations hereunder, and the rosalty on oil, gas and coal shall be computed after deducting any so used. Lessor shall have the privilege at his risk and expense of uring gas from any gas well on said land for stoves and inside lights in the principal dwelling thereon out of any surplus gas not needed for operations hereunder.

4. Lessee, at its option, is hereby given the right and power to pool or combine the acreage covered by this lesse or any portion ther of with other land, lease or leases in the immediate vicinity thereof, when in Lessee's judgment it is necessary or advisable to do so in order properly to develop and operate said premises in compliance with any lawful spacing rules which may be prescribed for the field in which this lesse is situated by any duly authorized authority, or when to do so would, in the judgment of Leaste, promote the conscruztion of the oil and gas in and under and that may be pro-inced from said premises. Lessee shall execute in writing an instrument identifying and describing the pooled acrease. The entire acrease so ocoled into a tract or unit shall be treated, for all purposes except the payment of royalties on production from the pooled unit, as if it were included in this lease. If production is found on the pooled necessary, it shall be treated as if production is had from this lease, whether the well or wells be located on the premises covered by this lease or not. In lieu of the royalties elsewhere herein specified, Lessor shall receive on production from a unit so pooled only such portion of the royalty stipulated herein as the amount of his acreage placed in the unit or his royalty interest therein on an acreage basis bears to the total acreage so pooled in the particular unit involved.

5. If operations for drilling are not commenced on said land or on acreage pooled therewith as above provided on or before one year from this date the lease shall then terminate as to both parties, unless on or before such anniversary date Lessee shall pay or tender to Lessee or to the credit of Lessee

in Citizens Bank......Leeds... twhich bank and its successors are Lessor's agent and shall continue as the depository for all rentals payable kercunder regardless of changes in ownership

twelve 1121 months. In like manner and upon like payments or tenders annually the commencement of drilling operations may be further deferred for suctersive periods of twelve (12) months each during the primary term. The payment or tender of rental may be made by the check or draft of Lessee mailed or delivered to Lessor or to said bank on or before such date of payment. If such bank (or any successor bank) should fail, liquidate or be succeeded by another bank, or for any resson fail or refuse to accept rental. Lessee shall not be held in default for failure to make such payment or tender of rental until thirty (30) days after Lessor shall deliver to Lessee a proper recordable instrument, naming another bank as agent to receive such payments or tenders. The down cash payment is consideration for this lease according to its terms and shall not be allocated as mere rental for a period. Lessee may at any time or times execute and deliver to Lessor or to the depository above named or place of record a release or releases covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered, and there-

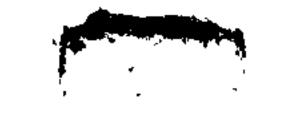

after the rentals payable hereunder shall be reduced in the proportion that the acreage covered hereby is reduced by said release or releases. 5. If prior to discovery of oil, gas or other mineral on said land or on screage pooled therewith Lessee should drill a dry hole or holes thereon, or if after discovery of oil, gas or other mineral, the production thereof should cease from any cause, this lease shall not terminate if Lessee commences additional drilling or reworking operations within 60 days thereafter or if it be within the primary term, commences or resumes the payment or tender of renalls or commences operations for drilling or reworking on or before the rental paying date next ensuing after the expiration of 60 days from date of completion of dry hole or creation of production. If at any time subsequent to sixty (50) days prior to the beginning of the last year of the primary term and prior to the disenvery of oil, gas or other mineral on said land, or on acreage pooled therewith. Lessee should drill a dry hole thereon, no rental payment or operations are necessary in order to keep the lease in force during the remainder of the primary term. If at the expiration of the primary term, oil, gas we other min. crait is not being produced on said land, or on acreage pooled therewith, but Lussee is then engaged in drilling or reworking operations thereon or area, have completed a dry hole thereon within sixty (60) days prior to the end of the primary term, the lease shall remain in force so long as operations are consecut. ed with no cessation of more than sixty [60] consecutive days, and if they result in the production of oil, gas or other mineral, so long thereafter as oil, gas or other mineral is produced from said land or acreage pooled therewith. In the event a well or wells producing all or gas in paying quantities abould be brought in on adjacent land and within one hundred lifty (150) feet of and draining the leased premises, or acreage pooled therewith. Lesace acrees to drill such offeet wells as a reasonably prudent-operator would drill under the same or similar circumstances.

7. Lessee shall have the right at any time during or after the expiration of this lesse to remove all property and fixtures placed by Lesses on said land, including the right to draw and remove all casing. When required by Lessee will bury all pipe lines below ordinary plow depth, and no well shall be drilled within two hundred (200) feet of any residence or barn now on said land without Lessor's consent. Lessee shall be responsible for all damages caused by Lessee's operations hereunder other than damages necessarily caused by the execcise of the rights berein granted.

8. The rights of either party hereunder may be assigned in whole or in part, and the provisions hereof shall ettend to their heirs, successors and assigns; but no change or division in ownership of the land, rentals or royalties, however accomplished, shall operate to enlarge the chications or diminish the rights of Lessee; and no change or division in such ownership shall be tinding on Lessee until thirty (30) days after Lessee shall have been furnished by registered U. S. mail at Lessee's principal place of business with a certified copy of recorded instrument or instruments existencing same. In the event of assirpment hereof in whole or in part liability for breach of any obligation hereunder shall rest exclusively upon the owner of this lease or of a gracium there. of who commits such breach. In the event of the death of any person entitled to rentals hereunder, Lessee may pay or tender such rentals to the credit of the deceased or the estate of the deceased until auch time as Lessee is furnished with proper evidence of the appointment and qualifications of an executor or administrator of the estate, or if there be none, then until Lessee is furnished with evidence satisfactory to it as to the heirs or devisees of the deceased, and that all debts of the estate have been paid. If at any time two or more persons be entitled to participate in the sental payable hereunder. Lessee may pay or tender said rental jointly to such persons or to their joint credit in the depository named herein; or, at Lessee's election, the proportionate part of said rental to which each participant is entitled may be paid or tendered to him separately or to his separate credit in said depository; and payment or tender to any participant of his portion of the rentals hereunder shall maintain this lease as to such participant. In event of assignment of this lease as to a segregated portion of said land, the rentals payable hereunder shall be apportionable as between the several leasehold owners ratably according to the surface area of each. and default in rental payment by one shall not affect the rights of other leasehold owners hereunder. If six or more parties become entitled to rayalty hereunder. Lessee may withhold payment thereof unless and until furnished with a recordable instrument executed by all such parties designating an agent to retrive payment for all.

9. The breach by Lessee of any obligation hereunder shall not work a forfeiture or termination of this lesse nor be cause for cancellation hereof in whole or in part save as herein expressly provided. If the obligation should require the drilling of a well or wells, Lessee shall have ninety (90) days after the receipt of written notices by Lessee from Lessor specifically stating the breach alleged by Lessor within which to begin operations for the drilling of any such well or wells; and the only penalty for failure so to do shall be the termination of this lease save as to forty (40) acres for each well being worked on or producing oil or gas, to be selected by Lessee so that each forty (40) acre tract will embrace one such well. After the discovery of oil, gas or other mineral in paying quantities on said premises, Lessee shall reasonably develop the acresse retained hereunder, but in discharging this obligation it shall in no event be required to drill more than one well per forty (40) acres of the area retained hereunder and capable of producing oil, gas or other mineral in paying quantities.

10. Lessor hereby warrants and agrees to defend the title to said land and agrees that Lessee at its option may discharge any tax, mortgage or other lien upon said land, either in whole or in part, and in event Lessee does so, it shall be subrogated to such lien with right to enforce same and apply rentals and rayalties accruing hereunder toward satisfying same. Without impairment of Lessee's rights under the warranty in event of failure of title, it is agreed that if Lessor owns an interest in said land less than the entire fee simple extate, then the royalties and rentals to be paid Lessor shall be reduced proportionately. Failure of Lessee to reduce rental paid hereunder shall not impair the right of Lessee to reduce royalties. All royalty interest covered by this lesse (whether or not owned by lessor) shall be paid out of the royalty herein provided.

11. Should Lessee be prevented from complying with any express or implied covenant of this lease, from conducting drilling or reworking operations thereon or from producing oil or gas therefrom by reason of scarcity of or inability to obtain or to use equipment or material, or by operation of force majeure, or any Federal or state law or any order, rule or regulation of governmental authority, then while so prevented. Lossee's obligation to comply with such covenant shall be suspended, and Lessee shall not be liable in damages for failure to comply therewith; and this lease shall be extended while and so long as Lessee is prevented by any such cause from conducting drilling or reworking operations on or from producing oil or gas from the leased premises; and the time while Lessee is so prevented shall not be counted against Lessee, anything in this lease to the contrary notwithstanding.

12. The undersigned Lessor, for himself and his heirs, successors and sociens, hereby surrenders and releases all rights of homestead in the premises herein described, in so far as said rights of homestead may in any way affect the purpose for which this lease is made as recited herein, and agrees that the annual drilling deferment rental payments made to Lessor as herein provided will fully protect this lease as to the full interests of the undersigned.

13. If, upon the expiration of the primary term hereof, this lease is not continued in force and effect under and pursuant to any provision hereof, Lessee shall have and is hereby given and granted an option to renew and extend this lease for an additional period of five (5) years from the expiration of said primary term. Said option shall be exercised by Lessee's paying or tendering to Lessor no less than thirty (30) days before the expiration of said primary term the sum \$10.00 Dollars per net mineral acre for each acre retained hereunder. Said payment or tender may be made to the Lessor or to the depository bank named hereinabove. If such payment or tender is made, the provisions of the paragraph contined hereinabove relating to the payment of delay rentals shall in all things be applicable to the primary terms as extended pursuant to this paragraph in the same manner as if such extended term were a part of the original primary term set forth hereinabove; provided, however, that said payment or tender shall be considered both as bonus consideration for the extended period and rental for the sixth(6th) lease year of this lease.
