or exterior wall, which shall be the responsibility of and be repaired at the expense of Lessor.

Lessor shall maintain the exterior portion of the building and Lessee shall keep and maintain the interior of said building.

All applications in connection for utility services on the demised premises shall be in the name of the Lessee only, and the Lessee shall be solely liable for all utility charges as the same become due, including those for sewer, water, gas, electricity and telephone service.
