Whereas, Scotch Building & Development Company, Inc., a corporation, (hereinafter called Scotch), as the owner of all lots in Broken Bow Subdivision, the map of which Subdivision is recorded in the Office of the Judge of Probate of Map Book 7, page 145, adopted certain restrictions and covenants with regard to the use of said property (hereinafter called Covenants), which Covenants were recorded in said office in Book 30, page 957; and

The main residential structure (exclusive of detached garages and out buildings) shall be located no less than thirty (30) feet from the rear property line. No part of the house building or garage shall be located nearer than eight (8) feet to an interior side line, except that a carport, or canopy, which canopy is attached to a carport and has no other support, may project in to a required sideyard provided that every part of the projection of such carport is removed at least six (6) feet from the nearest interior side lot line. The total of both side yards must equal a minimum of eighteen (18) feet. For the purposes of this covenant, eaves, steps, and unroofed terraces shall not be considered as part of a building provided, however, that this shall not be construed to permit any portion of the construction on a lot to encroach upon another lot." All corner lots shall have a front setback line on each street side. However, the buildable width of a lot of record need not be reduced to less than 28 feet.
