In Township 19 South, Range 2 East: In Section 2: SW# of NW#, containing 40 acres, more or less.

It is agreed and understood that this lease covers only oil, gas, gas derivatives, and other gaseous and liquid hydrocarbons, and sulphur; It does not cover coal, iron ore, or any other minerals.

Lessee shall be responsible for all damages caused by lessee's operations

Lessee shall be responsible for all damages caused by lessee's operations under this lease.

Whereas the "Royalties" in paragraph 3 hereinbelow to be paid lessors reads one-eighth, the same is hereby amended to one-sixth.

It is the intention of Lessor and Lessor that this lease shall also include, and there is hereby included, granted, leased and let, for the purposes and consideration herein stated, all the land owned or claimed by Lessor, adjacent or contiguous to the land particularly described above, whether the same be in said section or sections, grant or grants, or in adjacent sections or grants, although not included with the boundaries

of the land particularly described above. For the purpose of determining the amount of any money payment bereinder, the lands herein shall be treated as comprising 40.00 acres, whether there be more or less, and in the event of a partial assignment of surrender, the assignment or surrendered portion or portions shall be deemed to contain the number of acres stated in such assignment or surrender.

assignment or surrender.

2 Subject to the other provisions berein contained, this lease shall be for a term of togy cars from this base (called "primary term") and as long thereafter as oil, gas or other mineral is produced from said land or lands with which said land is produced hereunder.

3. The royalties to be paid by Lessee are: (a) on oil, one-eighth (1/8) of that produced and saved from said land, the same to be delivered at the wells or to the credit of Lesser into the pipeline to which the wells may be connected; Lessee may from time to time purchase any royalty oil in its possession, paying the market price therefor prevailing for the field where produced on the date of purchase, in either case such interest to hear its proportion of any expense of treating unmerchantable oil to render it merchantable as crude; (b) on gas, one-eighth (1/8) of the market value at the well of the gas used by Lessee in operations not connected with the land leased or any powled unit containing all or a part of said land; the royalty on gas sold by Lessee to be one-eighth (1/8) of the market value at the month of the well of gas used by Lessee in manufacturing gasoline or other by-products, except that in computing such value, there shall be excluded all gas or components thereof used in lease or unit operations; and (d) on all other minerals mined and marketed, one-tenth (1/10) either in kind or value at the well or mine, at Lessee's election, except that on sulphur mined and marketed, the royalty shall be lifty cents (50c) per long ton. In the event that any well on the land or on property pooled therewith (or with any part thereof) is capable of producing oil or gas or gaseous substances in paying quantities but such initionals are not being produced, then Lessee's rights may be undertained the root of or after the primary term, or within sixty (60) days prior to the expiration thereof. Lessee's rights may be extended beyond and after the primary term by the commencement, resumption or continuance of such payments at the rate and in the manner herein provided for rental payments during the primary term, and for the purpose of computing and making such payments the reof production of paragraph 2 bereof. Lessee shall have free use of oil, gas, eval, wood and water from said land, everyt water from Lessor's w

4. Lessee, at its option, is bereby given the right and power to pool or combine the acreage covered by this lease or any portion thereof with other land, lease or leases in the immediate vicinity thereof, when in Lessee's judgment it is necessary or advisable to do so in order properly, i develop and operate said premises in compliance with any lawful spacing rules which may be prescribed for the field in which this lease is situated by any duly authorized authority, or when to do so would, in the judgment of Lessee, promote the conservation of the oil and gas in and under and that may be produced from said premises. Lessee shall execute in writing an instrument identifying and describing the production from the production from the production as if it were included in this lease. If production is found on the production from the production is had from this lease, whether the well or wells be located on the premises covered by this lease or not for lieu of the royalties elsewhere herein specified. Lesser shall receive on production from a unit so pooled only such portion of the royalty stipulated herein as the amount of his acreage placed in the ount or his royalty interest therein on an acreage basis bears to the total acreage so pooled in the particular unit involved.

(\$40.00). (herein called rental), which shall cover the privilege of deferring commencement of drilling operations for a period of twelve (12) months. In like manner and upon like payments or tenders annually the commencement of drilling operations may be further deferred for successive periods of twelve (12) months each during the primary term. The payment or tender of rental may be made by the check or draft of Lassee mailed or delivered to Lassor or to said bank on or before such date of payment. If such hank (or any successor bank) should fail, liquidate or be succeeded by another bank, or for any reason fail or refuse to accept rental, Lassee shall not be held in default for failure to make such payment or tender of rental until thirty (30) days after Lassor shall deliver to Lassee a proper recordable instrument, maining another bank as agent to receive such payments or tenders. The down cash payment is consideration for this lease according to its terms and shall not be allocated as mere rental for a period. Lassee may at any time or times execute and deliver to Lassor or to the depository above named or place of record a release covering any portion or portions of the above described premises and thereby surrender this lease as to such portion or portions and be relieved of all obligations as to the acreage surrendered, and thereafter the rentals payable hereunder shall be reduced in the proportion that the acreage covered hereby is reduced by said release or releases.

6. If prior to discovery of oil, gas or other mineral or said land or on acreage pioled therewith Lease should drill a dry hole or holes thereon, or if after discovery of oil, gas or other mineral, the production thereof should cease from any came, this lease shall not terminate if Lesser commences additional drilling or reworking operations within 60 days thereafter or if it be within the primary term, commences or resumes the payment or tender of rentals or commences operations for drilling or reworking on or before the rental paying date next ensuing after the expiration of 60 days from date of completion of dry hole or reseation of production. If at any time subsequent to sixty (60) days prior to the beginning of the last year of the primary term and prior to the discovery of oil, gas or other mineral on said land, or on acreage product therewith. Lessee should drill a dry hole thereon, no rental payment or operations are necessary in order to keep the lease in force during the remainder of the primary term. If at the expiration of the primary term, oil, gas or other mineral is not being produced on said land, or on acreage product therewith, but Lessee is then engaged in drilling or reworking operations thereon or shall have completed a dry hole thereon within sixty (60) days prior to the end of the primary term, the lease shall remain in force so long as operations are prosecuted with no cessation of more than sixty (60) consecutive days, and if they result in the production of oil, gas or other mineral, so long thereafter as oil, gas or other mineral is produced from said land or acreage product therewith. In the event a well or wells producing oil or gas in paying quantities should be brought in on adjacent land within one landred lifty (150) feet of and draining the leased premises, or acreage product therewith, Lessee agrees to drill such offset wells as a reasonably product operator would drill under the same or similar circumstances.

7. Lesser shall have the right at any time during or after the expiration of this lesse to remove all property and fixtures placed by Lesser on said land, including the right to draw and remove all easing. When required by Lesser, Lesser will bury all pipe lines below ordinary plow depth, and no well shall be drilled within two hundred (200) feet of any residence or barn now on said land without Lessor's consent. Lesser shall be responsible for all damages consell by Lesser's consent. Lesser

shall be responsible for all damages caused by Lassee's operations bereinder other than damages necessarily caused by the exercise of the rights berein granted.

8. The rights of either party bereinder may be assigned in whole or in part, and the provisions bereof shall extend to their heirs, successors and assigns; but no change or division in ownership of the land, rentals or royalties, however accomplished, shall operate to enlarge the obligations or diminish the rights of Lessee, and no change or division in such ownership shall be binding on Lassee until thirty (30) days after Lassee shall have been furnished by registered U.S. until at Lassee's principal place of business with a certified copy of recorded instruments evidencing same. In the event of assignment hereof in whole or in part liability for breach of any obligation berounder shall rest exclusively upon the owner of this lease or of a portion thereof who commits such breach. In the event of the deem to rentals become may pay or tender such rentals to the credit of the deceased or the estate of the deceased until such time as Lessee is furnished with proper evidence of the appointment and mail factors of any different or administrator of the estate, or if there be none, then until Lessee is furnished with evidence satisfactory to it as to the heirs or devices of the deceased, and that all debts of the estate been paid. If at any time two or more persons be entitled to participate in the rental payable here, aler, Lessee may pay or tender said trental jointly to such persons or to their joint credit in the depository or tender to any participant of his portion of the rentals beronder shall maintain this lesse as to such participant.
